Congratulations

on taking the first step towards better sleep!

hushd[™]
AVERA

Step 1 →

Download the free App for instructions and tips.

ADVICE

SleepCare
APP

Download the App:

- ✓ Track sleep improvements
- ✓ Connect with local clinics and dentists that specialise in snoring and sleep apnea

For instructions on how to fit your Hushd Avera, download the SleepCare app from the app store using the QR code.

Step 2 →

Start your Hushd therapy for one month.

TEMPORARY DEVICE

hushd
AVERA

Hushd Avera design features:

- ✓ Reduces snoring
- ✓ Improves sleep quality
- ✓ Separate arches for comfort
- ✓ Smaller than other temporary devices

The Hushd Avera mouthpiece keeps your airways open while you sleep, allowing for smooth and continuous breathing - giving you and your loved ones some much needed rest from persistent snoring.

Step 3 →

Upgrade to Hushd Pro. It is custom fitted.

PERMANENT DEVICE

hushd^{PRO}
AVERA

Hushd Pro is your permanent solution:

- ✓ Custom, optimised fit
- ✓ Small, slim and easy to use
- ✓ High comfort reported by customers
- ✓ 3x Stronger than other oral appliances!

Hushd Pro has all the benefits of Hushd Avera in a slimmer design. It is custom made to your teeth and mouth ensuring a perfect fit and extreme comfort. You may also be eligible for private health fund rebates for Hushd Pro.

Step 4

Monitor your sleep. Sleep better. Feel better.

MONITOR SLEEP

good sleep^{TEST}

Good Sleep Test features:

- ✓ Monitor sleep at home
- ✓ Device talks to the SleepCare App
- ✓ Generate a Specialist Sleep Report
- ✓ Cost effective way to check sleep quality
