HiRise Pro
adjustable stand for MacBook
owner's guide

How to adjust the height of HiRise for MacBook

1. Remove MacBook from HiRise.

2. With a hand placed firmly on top of the HiRise, loosen the screw.

3. Push straight down to adjust, tighten screw while holding HiRise in position.

4. Place MacBook back onto HiRise and add an external keyboard and mouse.

Installing a MagSafe Charger

1. Remove the plug from the charger port.

2. Install the MagSafe Charger with the charging plate facing the top of HiRise

3. Press the wire into the channel until flush

4. Plug in the charger and place MagSafe device on the raised platform to charge
