

StayGo Owner's Guide

What's in the Box:

StayGo USB-C Hub

1-meter desk cable

Stowable travel cable

Interface Overview:

The StayGo provides the most common ports and connections, allowing you to connect to all your peripherals and devices with ease.

Ports to Main Device: USB-C

Ports to Accessories: SD and Micro-SD card readers, HDMI, USB-A with Power, USB-A, USB-A, Ethernet, USB-C with pass through power

Connection Guide:

Charging your device through StayGo:

Connect your device's USB-C charging cable to the USB-C port  on the back of StayGo, and connect to your USB-C charger.

Power delivery 3.0 pass-through delivers up to 85W of charging  power using the laptop's USB-C power adapter (after deduction of 15W used by the hub). USB-C power adapter not included.

Choose cable for your setup:

Desktop mode: connect desk cable to USB-C port on the side of StayGo and connect the other end to your device.

Travel mode: slide travel cable out of the cable slot on the side of StayGo, connect cable to USB-C port on the side of StayGo, and connect the other end to your device.
