Thank you for your purchase from Maxwood Furniture. We hope you and your kids will love it!
Please keep these assembly instructions for future reference.

Important:

Safety is our number one concern – please follow these simple safety tips:
Remember to check and tighten bolts/hardware once every few month, as these may loosen with use over time.
If you have purchased a bed, chose a low profile mattress for the top bunk (ideally 5" (13cm) or max 12" (30cm)) to maximize safety rail height.

Make sure to anchor your large dressers to the wall with the free anti-tip kit provided.
Read and follow the safety instructions on the card attached to the front of your dresser.

Important :

La sécurité est notre première préoccupation – veuillez suivre ces simples conseils de sécurité :
N'oubliez pas de vérifier et de serrer les boulons/la quincaillerie une fois tous les deux ou trois mois car ces derniers peuvent se desserrer avec le temps. Si vous avez acheté un lit, choisissez un matelas à profil bas pour le lit d'en haut (idéalement 5" (13 cm) ou maximum 12" (30 cm)) pour maximiser la hauteur du rail de sécurité.

Assurez-vous d'ancrer vos grosses commodes au mur à l'aide de la trousse anti-basculement fournie.

Pièces de rechange :

En cas de problème avec votre produit comme de la quincaillerie manquante, veuillez contacter le distributeur local à qui vous avez acheté le produit, ce dernier pourra vous fournir plus d'information sur comment obtenir les pièces de rechange.

ESPAÑOL

Gracias por su compra de Maxwood Furniture. Esperamos que usted y sus hijos les encantará.
Conserve estas instrucciones de montaje para futuras consultas.

Importante:

La seguridad es nuestra preocupación número uno - siga estos sencillos consejos de seguridad:
Recuerde revisar y apretar tornillos / herrajes una vez cada pocos meses, ya que estos pueden aflojarse con el uso a lo largo del tiempo. Si ha comprado una cama, elija un colchón de perfil bajo para la litera superior (idealmente 5" (13 cm) o máximo 12" (30 cm)) para maximizar la altura del carril de seguridad.

Asegúrese de anclar sus aparadores grandes a la pared con el kit anti-tip gratuito proporcionado. Lea y siga las instrucciones de seguridad de la tarjeta colocada en la parte frontal de la cómoda.

Piezas de repuesto:

En caso de que se produzca un problema con el producto, como el hardware faltante, póngase en contacto con Su distribuidor local de quien adquirió el producto, y ellos podrán proporcionarle más información sobre cómo obtener los reemplazos.
