

HYDROGLOSS®

LIP OIL - \$30.00

High-*shine* lip gloss meets nourishing lip oil.

Hydrogloss® Lip Oil is the lip-loving formula that quenches lips with essential hydration thanks to a blend of organic olive fruit oil, coconut oil, and shea butter. Organic beeswax gives a high-shine finish that's comfortable and never sticky. Enjoy high-impact shine or layer with our high-pigment Everluxe® Lip Crayons for gorgeous color. Either way, our nourishing blend of organic ingredients will keep you smiling! Choose from our two pure mineral derived shades in a sheer coverage.

WHAT IT'S MADE OF

Organic Beeswax Delivers Nourishing Shine And Supports Bee Conservation Efforts

Our source ensures bees are unharmed by the collection of the beeswax used in Hydrogloss Lip Oil. They practice regenerative beekeeping to support and conserve bee populations that are a vital part of worldwide agriculture health.

Organic Fruit Blend

Nourishing organic blend of fruit butter and oils hydrate, lock in moisture, and help protect lips.

Highest Purity Grade Pigments From the Earth

Free from synthetic colorants like Lake Dyes & FD&C colorants and carmine. Crunchi invests in the highest purity grade mineral colorants to achieve the lowest possible heavy metal levels.

Pure Unadulterated Essential Oils

We use the highest quality, sustainably sourced, and pure essential oils. We prioritize purity and ensure none of our essential oils are adulterated through third-party testing.

WHAT ARE THE BENEFITS

- *Delivers high shine and nourishes, for lips that appear fuller and healthier.*
- *Hydrates and smooths.*
- *Soothes and helps protect lips from the damaging effects of environmental stressors.*
- *100% mineral derived, sheer color.*
- *Non-sticky texture.*

HOW TO USE

Swipe over bare lips, adding layers as desired. Apply as a top-coat to high-pigment Everlux® Lip Crayons for nourishing shine.

STEP 1

Line with Everlux® - Line across the contours of the lips for precise definition.

STEP 2

Fill with Everlux® - Fill in the rest of lips for saturated color.

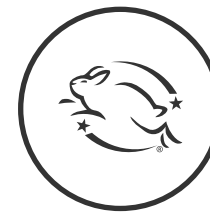

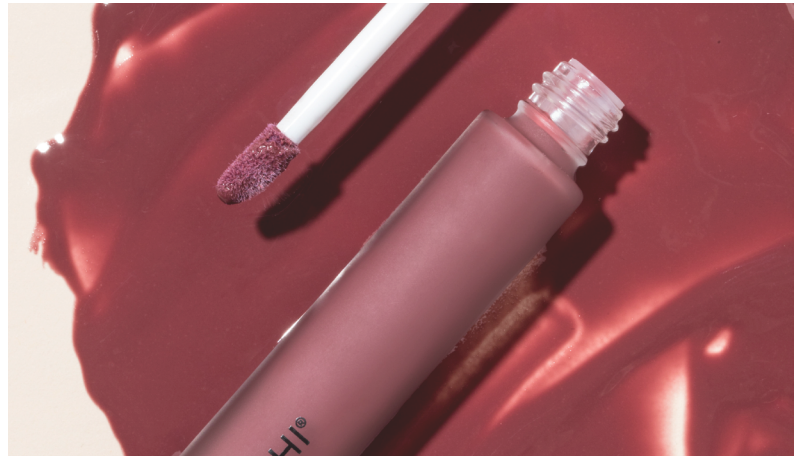

STEP 3

Layer with Hydrogloss® - Layer for a boost of high shine and hydration.
