

Sunlight® Tinted SPF 30

The perfect blend of makeup, skincare, and sun protection, Sunlight® Tinted SPF 30 ensures your skin looks healthy and radiant.

\$52 USD

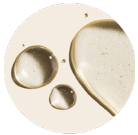

What It Does

- Delivers light, buildable coverage that lasts.
- Minimizes the look of pores, blemishes, and redness.
- Visibly brightens, plumps, and hydrates.
- Safe, non-nano mineral zinc oxide protects skin from UVA and UVB rays.
- Provides a natural-dewy finish.

How It Works

100% Pure Earth Pigments
Provide adaptable, lasting coverage.

Stable Vitamin C & Niacinamide
Visibly brightens and minimizes the look of pores.

Plant Squalane & Hyaluronic Acid
Helps hydrate and plump the skin.

Non-Nano Mineral Zinc Oxide
Delivers safe, broad-spectrum protection.

Adaptable Shades for All Skin Tones

What Else You Need to Know

- Dermatologically tested safe for all skin types, including sensitive skin.
- 3rd party tested for heavy metals.

Plastic-Free Bottle

What It's Free From

Sunlight® does not include questionable ingredients widely used in “clean” tinted SPF products:

- X No chemical or nano-mineral SPF ingredients
- X No phenoxyethanol
- X No ethoxylated ingredients
- X No FD&C pigments & lake dyes
- X No fragrance
- X No GMO ingredients

And so many more...

Pair With

My Alibi® Liquid Concealer
Cheekmate® Liquid Blush
Shattered® Mascara

How to Use

1: Apply one pump of Sunlight® Tinted SPF 30 to the back of your hand, using it as a palette.

2: Using your fingertips, gently smooth the formula over clean, prepped skin until evenly distributed. For a more seamless finish, use the **No. 1 Flat Top Brush** in half-circle motions to blend.

Pro Tip: To set, lightly dust over with Crunchi® Translucent Finishing Powder.

**Incidental Ingredients

*Organic

NOTE: We prioritize the use of certified organic ingredients in our formulations. Due to the organic supply chain's unpredictable nature, unforeseen disruptions (e.g., crop failures, natural disasters, etc.) could impact the availability of organic ingredients and conventional (non-GMO) ingredients that may be substituted. For the most up-to-date certified organic ingredient declaration, please refer to the individual product page on Crunchi.com.
