These Beauty Brands Are Giving Back During Breast Cancer Awareness Month in 2022

taylor augustin | oct 4, 2022

Did you know that every **October** is **Breast Cancer Awareness** Month?

Since it's highly likely that you or someone you know has been affected by breast cancer in some way, it's important to discuss the topic and show support. And what better way to show your support than by going shopping? Continue below to get a look at all of the beauty brands that give back when you shop during Breast Cancer Awareness Month.

Crunchi

Crunchi will be donating \$5 to Breast Cancer Prevention Partners and offering customers a free Everluxe Lip Crayon when they spend over \$150
