Crunchi Shattered Mascara

"I have pretty sensitive eyes, so flaky mascaras not only look bad on me, but they make my eyes itch and swell, which is never a fun experience. Combine that with oily skin, and pretty much any mascara I wear has to be water-resistant to avoid full-on raccoon eyes. This one by Crunchi is long-lasting, easy to remove, and doesn't irritate my eyes. It also keeps my lashes curled for hours, unlike some other formulas I've tried." – Katie Pittman
