The Best Contour Hacks For A Double Chin, According To A Makeup Artist

Knowing how to **contour your face** can help **dramatically enhance** your best features like cheekbones and bone structure, while also concealing others you might want to tone down, like acne, dark eye circles or even a double chin.

We spoke with a professional makeup artist who shared her favorite 5 essential and handy makeup hacks for contouring a double chin area. Read on for helpful tips and steps from expert **Kristen Fortier**, MUA and Product Innovation Lead for Crunchi Cosmetics.
