

Pathways to a *Paycheck*

Learn how to make a \$500, \$1000 and \$2,000 Paycheck

CRUNCHI®

Pathway to a \$500 *Paycheck*

Achieve 1500 PV + 250 NCPV (3 New Clients) = 30% Commission

= \$525 Paycheck

*Please note: PV is based on Client sales only

* This is a hypothetical example intended only to illustrate how retail profits are earned and calculated. It is not a representation of the results you should expect. Crunchi makes no guarantee that you will earn an income.

Pathway to a \$1,000 *Paycheck*

Achieve 2750 PV + 250 NCPV (5 New Clients) = 35% Commission

= \$1,050 Paycheck

*Please note: PV is based on Client sales only

*This is a hypothetical example intended only to illustrate how retail profits are earned and calculated. It is not a representation of the results you should expect. Crunchi makes no guarantee that you will earn an income.

Pathway to a \$2,000 *Paycheck*

Option A

Achieve 5750 PV + 250 NCPV (5 New Clients) = 35% Commission

= \$2,100 Paycheck

*Please note: PV is based on Client sales only

* This is a hypothetical example intended only to illustrate how retail profits are earned and calculated. It is not a representation of the results you should expect. Crunchi makes no guarantee that you will earn an income.

Pathway to a \$2,000 Paycheck

Option B

Achieve 4100 PV + 250 NCPV (5 New Clients) x 35% Commission = \$1522

+

3 Downline Advocates Achieve 6000 TV x 10% Commission = \$480*

= \$2,002 Paycheck

*Please note: PV is based on Client sales only

*10% is paid on \$4800 (minus 20% PV commission or personal discount)

*This is a hypothetical example intended only to illustrate how retail profits are earned and calculated. It is not a representation of the results you should expect. Crunchi makes no guarantee that you will earn an income.

*TV Volume is based on Level 1+2 earning 10% payout and before downline Commission is paid up 40%.

Pathway to a \$2,000 Paycheck

Option C

Achieve 2250 PV + 250 NCPV (5 New Clients) x 35% Commission = \$875

+

Downline Advocates Achieve 14000 TV x 10% Commission = \$1,120*

= \$1995 Paycheck

*Please note: PV is based on Client sales only

*10% is paid on \$11,200 (minus 20% PV commission or personal discount)

* This is a hypothetical example intended only to illustrate how retail profits are earned and calculated. It is not a representation of the results you should expect. Crunchi makes no guarantee that you will earn an income.

*TV Volume is based on Level 1+2 earning 10% payout and before downline Commission is paid up 40%.
