

OUR BEST-SELLING ESSENTIALS FOR AGELESS SKIN

Reparative Routine

SKIN TYPE/CONCERN

Anti-Aging, Dry, Oily, Normal/Combination

Cleanse

Cleansing Balm

WHAT IS IT

A hybrid cleansing balm that combines the benefits of an effective makeup remover and nourishing facial cleanser. It dissolves makeup, SPF, and impurities while hydrating and protecting your skin.

HOW IT WORKS

Olive Squalane: Helps remove makeup and impurities while maintaining the skin's natural oils.

Turmeric Root Extract: A natural antioxidant-rich root, soothes and brightens the complexion.

Prickly Pear Extract: Rich in vitamins, minerals, fatty acids, and antioxidants, it helps keep skin looking healthy.

HOW TO USE

Massage a quarter-sized amount onto dry skin, including the eyes and face, using gentle circular motions. Remove with a warm, damp cloth. Rinse with cool water.

Tone

Clarilight®
Facial Essence

WHAT IS IT

A toner that gently exfoliates while soothing and hydrating, enhancing the performance of your skincare.

HOW IT WORKS

Birch & Willow Leaf Extracts: Help improve skin tone and radiance while soothing the skin.

Fruit Extracts: Provide gentle exfoliation with natural alpha-hydroxy acids to reveal smoother skin.

Hyaluronic Acid: Delivers deep hydration to plump and refresh the skin.

HOW TO USE

After cleansing, pour a few drops into your hands—just enough to lightly cover your palms—and gently press into your face, neck, and décolleté.

Treat

Goldenlight®
Multi-Peptide Facial Serum

WHAT IS IT

This multi-peptide serum targets visible signs of aging and lost elasticity, restoring a firmer, smoother, and more youthful-looking appearance.

HOW IT WORKS

Multi-Peptide Complex: Helps to support the skin's collagen and elastin network to visibly firm and smooth the appearance of fine lines and wrinkles.

Sea Buckthorn Extract: Packed with phytonutrients and antioxidants, it plumps the skin's appearance for an ageless look.

Arnica Montana Flower Extract: Used for centuries as an herb in homeopathy to soothe and calm the skin.

HOW TO USE

After toning, apply one dropperful to face, neck, and décolleté.

Moisturize

Daylight® & Nightlight® Advanced
Youth-Activating Facial Creams

WHAT IS IT

Providing the powerful benefits of retinol without irritation or safety concerns, these advanced day and night facial creams deliver deep hydration while visibly reducing signs of aging.

HOW IT WORKS

Youth-Activating Complex: A potent blend of azelaic acid, bakuchiol, stable vitamin C, and non-GMO propanediol work together to reduce the appearance of lines and wrinkles, while evening skin tone and visibly plumping and firming.

Organic Argan & Jojoba Oils: Lightweight, nutrient-rich oils deeply hydrate and nourish the skin, locking in moisture for long-lasting softness and a radiant glow.

HOW TO USE

Daylight® Advanced Youth-Activating Facial Cream:

Apply in the AM after treatment. This lightweight formula absorbs quickly and works perfectly under makeup.

Nightlight® Advanced Youth-Activating Facial Cream:

Apply in the PM after treatment. This rich, reparative formula works overnight to hydrate and rejuvenate.
