

Daylight[®] Advanced Youth-Activating Facial Cream

A lightweight daily moisturizer powered by our Youth-Activated Complex to combat signs of aging and deeply hydrate for youthful, radiant skin.

\$76 USD

Who It's For

Perfect for anyone seeking an effective anti-aging solution, from wrinkles and loss of firmness to fine lines, uneven tone and texture.

What It Does

- ✓ Reduces the appearance of fine lines and wrinkles.
- ✓ Plumps and firms the look of skin.
- ✓ Visibly brightens and smooths uneven skin tone and texture.
- ✓ Lightweight formula locks moisture in and deeply hydrates.
- ✓ Helps protect against environmental stressors.

What Else You Need To Know

- ✓ Ideal for dry, oily, normal/combo skin.
- ✓ Organic sweet orange oil provides an uplifting and refreshing scent.
- ✓ Formulated to pair perfectly with our skincare and makeup.

Before

After
