

Solarise® Bronzer

A lightweight, natural bronze that delivers sun-kissed warmth and dimension. Talc-free. Never orange.

\$40

How To Use

Apply bronzer to areas where the sun naturally touches the face, including the forehead, tops of the cheeks, and the bridge of the nose, using the Bronzer Brush. Blend softly for a natural, sunlit finish.

Pro Tip: Use shade C50 as a soft contour. Apply under the cheekbones, along the jawline, or at the temples for added definition.

Available in two shades

C50
Cool Bronze

W100
Golden Glow

What It Does

- ✓ Adds a natural sunkissed glow and soft dimension
- ✓ Builds and blends effortlessly
- ✓ Feels silky-smooth and lightweight on skin
- ✓ Delivers long-wearing color

What Else You Need to Know

- For all skin types, including sensitive
- Made without FD&C pigments or lake dyes
- Third-party tested for heavy metals

How It Works

Organic Jojoba Oil
Helps deliver a silky-smooth, blendable texture.

Vitamin E
Helps protect skin from environmental stressors.

100% Pure Earth Pigments
Provides sun-kissed color that lasts.

What It's Free From

Uncompromised clean beauty formulated without:

- X No Talc
- X No FD&C pigments or lake dyes
- X No ethoxylated ingredients
- X No phenoxyethanol
- X No fragrance

And so many more...
