

A pair of black over-ear headphones with a sleek, modern design. The headband is curved and has the BlueAnt logo on the left side. The ear cups are large and circular, with a textured surface. The right ear cup has a large 'R' logo. The headphones are shown against a white background.

BlueAnt

PREMIUM ACTIVE NOISE CANCELLING HEADPHONES

READY FOR ANYTHING

The Zone X gives you the power to hear what you want to hear. You can block out the world with the Active Noise Cancellation or amplify your surroundings with Advanced Transparency. All while listening to loud and clear HD Audio.

PREMIUM FEATURES

The Zone X features intuitive touch controls for music and calls, so you can stay in your bubble wherever you are. Boasting 35 hours playtime, and 24 hrs with ANC, the ZoneX keeps rocking all day long.

The rapid top up feature gives you another 3 hours playtime, with just a 15 minute charge.

When you're done you can stow your Zone X safely, in its low profile deluxe carry case.

ZONE X

Features

Active Noise Cancelling

Remove up to 35dB of unwanted background noise with the Premium Active Noise Cancelling of the Zone X.

Advanced Transparency

Hear the world around you with the Advanced Transparency mode that amplifies your surroundings, so you never miss a beat.

Instant Awareness

Automatically mute the music so you can listen to announcements or conversations by cupping your ear.

Up to 35 hours Play Time

Up to 35 hours of Bluetooth playback and up to 24 hours of ANC or Transparency playback*.

Siri/Google Integration

Simply tap and hold to start Siri/Google.

Integrated Microphone

Take your calls on the go with the built-in microphone.

Simple Touchpad Controls

Tap or slide into your music with the intuitive touch pad on the right ear cup.

Rapid Charging

A full charge in 3 hours via USB-C or a 15 minute top up for 3 hours playback.

*Play time is measured at 80% volume and depends on music, ANC and environmental factors
