PUMP AIR NANO

WORLD'S BEST VALUE MICROBUDS

BIG SOUND IN A SMALL PACKAGE

Expertly tuned by studio engineers, the Pump Air Nano 7mm signature drivers deliver bass rich audio integrated inside, tiny and discreet earbuds for an immersive audio experience from the gym, to the daily commute.

READY FOR ANYTHING

IP54 rated water and sweatproof, the Pump Air Nano is designed to take on sweat, rain, spills and can withstand your most rigorous outdoor workouts - no matter the weather condition.

IMPROVED POWER

Power through your day with up to 20 hours* of wireless listening and stay topped up and ready for use with the included rapid charging case.

PERFECT FIT

Make Pump Air Nano yours with our range of ear tip options. Get the right fit with 3 size options of Comfort-seal ear-tips. The best fit means the best sound.

TAKE CONTROL

The Pump Air Nano delivers music, call and volume controls all without the need to touch your phone, so you never miss a beat and stay on target.
