PUMP AIR LITE 2

BEST VALUE MICROBUDS

TAKE CONTROL

The Pump Air Lite 2 delivers music, call and volume controls all without the need to touch your phone, so you never miss a beat and stay on target.

READY FOR ANYTHING

IP55-rated water and sweatproof, the Pump Air Lite 2 is designed to take on sweat, rain, spills and can withstand your most rigorous outdoor workouts - no matter the weather condition.

IMPROVED POWER

Power through your day with up to 26 hours* of wireless listening and stay topped up and ready for use with the included rapid charging case.

BIG SOUND, SMALL PACKAGE

Expertly tuned by studio engineers, the Pump Air Lite 2 7mm signature drivers deliver bass rich audio integrated inside, tiny and discreet earbuds for an immersive audio experience from the gym, to the daily commute. Now with enhanced Environmental Noise Cancellation (ENC) for improved call clarity.

PERFECT FIT

Make Pump Air Lite 2 yours with our range of ear tip options. Get the right fit with 3 size options of Comfortseal ear-tips. The best fit means the best sound.
