

TRUE WIRELESS SPORTSBUDS

READY FOR ANYTHING

IP67-rated water and sweatproof, the Pump Air X is designed to take on sweat, rain, spills and can withstand your most rigorous outdoor workouts – no matter the weather condition.

IMPROVED POWER & WIRELESS CHARGING

Power through your week with up to an incredible 66 hours* of wireless listening. Stay topped up and ready for use with the included Wireless Charge case – just place the case on a compatible charge pad and be recharged.

PERFECT FIT & ENHANCED STABILITY

Make Pump Air X yours with our unrivalled range of ear tip options. Get the right fit with 7 size options of Comfortseal ear-tips plus our patent-pending Superfit stabilizers, designed to offer maximum stability and stay in place during even your most rigorous workouts. Finally, we've also included a set of Premium Comply TrueGrip memory foam tips, that provide fantastic passive noise cancellation and an immersive audio experience.

BIG SOUND, SMALL PACKAGE

Expertly tuned by studio engineers, the Pump Air X delivers bass rich audio. Dynamic drivers integrated inside, tiny and discreet earbuds deliver deep, rich sound for an immersive audio experience from the gym, to the daily commute.

Premium features,
enhanced performance,
UNBEATABLE VALUE
