BUDS LOST CONNECTION?

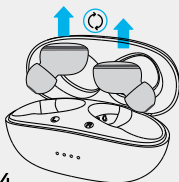

1. Make sure the charging case is fully charged.

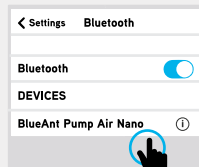

2. Place microbuds in the case and wait for a solid LED on both microbuds.

3. Press and hold the MFB button on both microbuds simultaneously for 10s, until you see each microbud flash 3 times.

4. Remove both microbuds from the case and wait 5s for re-syncing to occur.

5. Scan for BT devices on your phone.

N.B. If you're having trouble with this process, please refer to the user manual (V1.1 or greater) for more detailed information
