

## TRUE WIRELESS MICROBUDS

Go Micro. Live Massive.

**Small size and massive comfort** | The Pump Air Micro offer the smallest microbuds and include massive comfort and sound. Rocking 30 hours of play time with the charging case, and an IP54 sweatproof rating, these tiny earbuds unlock a whole new level of freedom — whether you're running, working, or just tuning out the world. Your sound. No compromise.

**30hrs Play time on the go**

From constantly recharging to forgetting you even need to. You're free to explore, train, or travel without ever reaching for a charger

**6hrs Play time in the buds**

Whether it's back-to-back meetings, a long flight, or an extended run — you're covered in a single charge

**24hrs Play time in the case**

Top up anytime, anywhere. The case keeps you going for days, not hours

**6mm Micro driver**

Experience bold, immersive sound from micro drivers that punch well above their size

**IP54 Sweatproof**

Sweatproof design means your sound stays strong through every rep, sprint, or summer commute

**Bluetooth® 6.0**

From laggy, unstable connections to instant pairing and rock-solid signal every time

**3 Sizes of ComfortSeal tips**

Better comfort, better sound isolation, and safer listening — all day long

**USB-C Rapid charging**

Get hours of playtime in minutes — because your day doesn't wait and neither should your earbuds
