

Congratulations

on your purchase of a Therabody
Certified Refurbished product!

We're thrilled to welcome you to the Therabody family and empower you to feel your best with top-quality therapeutic solutions.

This Therabody product has been fully refurbished. It may exhibit light signs of prior use and may not have arrived in its original packaging, but it fully adheres to Therabody's quality standards. Each Therabody Certified Refurbished device undergoes a rigorous 7-step refurbishment process that includes functionality testing, quality inspection and disinfecting treatment. Then, each device is charged, packed and labeled before shipping so you enjoy 100% full functionality and the full range of product benefits at a discounted price.

To make the most of your device, download the Therabody app to access step-by-step routines designed to help you with your goals, activities and needs.

We stand behind Therabody Certified Refurbished product quality by offering a 1-year warranty from the date you receive your product. To learn more, visit Therabody's Limited Warranty. You'll find the Therabody Refurbished Warranty at www.therabody.com, but if you have any questions, please contact Customer Service at www.therabody.com/contactus.

At Therabody, our mission is to empower every body to live better, longer, healthier lives by creating innovative wellness technologies. We can't wait for you to feel the Therabody difference.
