

TRUFFLE HUNTER

Where is your nose going to take you? Like gems secretly developing for decades, Truffles are some of the most decadent treasures on Earth. **Sottocenere al Tartufo** is a cheese studded with intoxicating black truffle, with hints of warming spices like nutmeg, clove, and coriander. Delicately layered **Prosciutto** adds to the luxury, while some **Dried Apricots** bring brightness and acidity. Finally, salty, **Pistachios** add the savory crunch to bring it all together. Rich, balanced, yet, indulgent.
