Supra UK Ltd (t/a The Key Safe Company)

Notes:

1. The product only achieves the specified security rating when installed using the appropriate fixings detailed in the documents listed in the table titled 'Installation Instructions and Substrates'.
2. The approval does not cover the key safes when mounted to alternative substrates.
3. The approval covers renders up to 20 mm thick when installed using the 100 mm long fixings.
4. The key safe is approved when secured using a code at least 3-digits long.

This certificate is maintained and held in force through regular surveillance activities.
