

Ring Comparison

If you have a ring with a known size, print this page and match one of the circles below with the inner edge of one of your rings.

Full Sizes

Half Sizes

Important

To ensure that this chart is printed to scale:

From your web browser
Deselect **Fit to Page** and ensure **Scale** is 100%.

From your computer, if downloaded
Select **Actual Size**.

Once printed, please place a credit or debit card within this frame and ensure that your card fits without any white space or overlap.
