**Bandol Cot Bed By Baby Elegance, product overall measurement information**  
(unit – mm) :

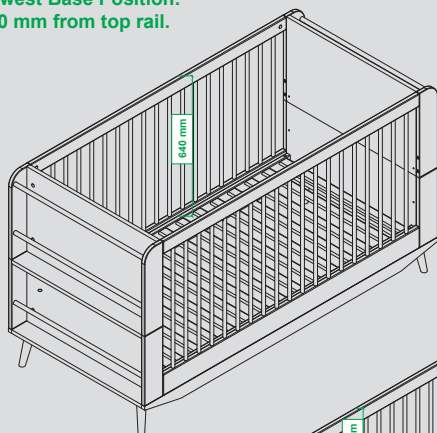

Any nominal measurement may have slightly tolerance difference than real product, if any questions, please Contact Baby Elegance.

**Bandol Cot Bed By Baby Elegance, The Base Position Information Introduction.**

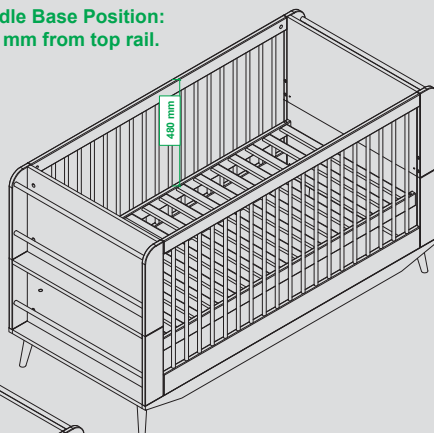

**Model , Bandol Cot by Baby Elegance, The Base (component number 12), can install on 3 different positions to use:**

- ✓ Once the assembly is 100% correctly finished and fully fixed, the distance from the base, when it is in the lowest position, to the top flat level of the side rail of the cot is approximately 640mm.
- ✓ Once the assembly is 100% correctly finished and fully fixed, the distance from the base, when it is in the middle position, to the top flat level of the side rail of the cot is approximately 480mm.
- ✓ Once the assembly is 100% correctly finished and fully fixed, the distance from the base, when it is in the highest position, to the top flat level of the side rail of the cot is approximately 320mm.

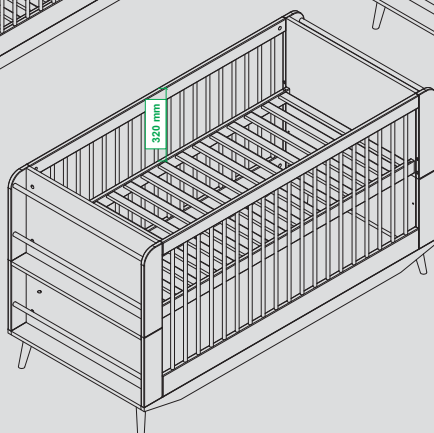

**Lowest Base Position:**  
640 mm from top rail.

**Middle Base Position:**  
480 mm from top rail.

**Highest Base Position:**  
320 mm from top rail.

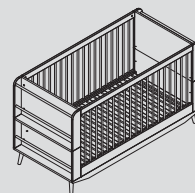

Any nominal measurement may have slightly tolerance difference than real product, if any questions, please Contact Baby Elegance.

# Safety Information

EN

**Model, Bandal Cot by Baby Elegance:**

**Conforms to EN 716-1:2017 + AC:2019 & EN 716-2:2017**

- The product is for domestic use with an internal length greater than 900mm but not more than 1400mm.
- Recommended mattress size 1400 mm in length and 700 mm in width. The thickness of the mattress used should not exceed 10 cm.

## WARNING!

- **Warning :** Be aware of the risk of open fire and other sources of strong heat, such as electric bar fires, gas fires, etc. in the vicinity of the cot.
- **Warning :** Do not use the cot if any part is broken, torn or missing and use only spare parts approved by the manufacturer.
- **Warning :** Do not leave anything in the cot or place the cot close to another product, which could provide a foothold or present a danger of suffocation or strangulation, e.g. strings, blind/curtain cords, etc.
- **Warning :** Do not use more than one mattress in the cot.

## WARNING!

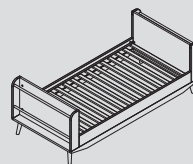

- The lowest position is the safest.
- The base should always be used in the lowest position as soon as the baby is old enough to sit up.
- The thickness of the mattress shall be such that the internal height (surface of the mattress to the upper edge of the cot frame) is at least 500 mm in the lowest position of the cot base and at least 200 mm in the highest position of the cot base.
- Minimum size of mattress to be used with the cot (the length and width shall be such that the gap between the mattress and the sides and ends does not exceed 30 mm).
- All assembly fittings should always be tightened properly and fittings should be checked regularly and retightened as necessary.
- To prevent injury from falls when the child is able to climb out of the cot, the cot shall no longer be used for that child.
- All mounting fittings must be tightened properly and care must be taken to ensure that no screws are loosened, a child could jam parts of the body or clothing (for example, ribbons, cords, collars), which could present a risk of strangulation.
- Please keep the product clean. Wipe it with a soft cloth.
- Adult assembly only, and we recommend two adults to assemble this product be more helpful and we suggest assemble this product on a carpet to protect the product finishing in good condition. **DO NOT** dismantle, assemble, disassemble this product when any child is around you in the same room, due to safety concerns that the child may pick up and swallow small parts !

# Safety Information

EN

**Model, Bandal Cot Bed by Baby Elegance:**  
**Conforms to BS 8509:2008 + A1:2011**

- The product is intended for one child aged 18 months to 4 years to use.
- Recommended mattress size 1400 mm in length and 700 mm in width.
- The thickness of the mattress used should not exceed 10 cm.

**WARNING.** Do not place this child's bed near heat sources, windows and other furniture.

**WARNING.** Do not use this child's bed if any part is broken, torn or missing.

- The Bandal Cot Bed by Baby Elegance is NOT designed to be dismantled for storage or transportation.
- To prevent injury from falls when the child is able to climb out of the cot, the cot should be converted to the cot bed.
- Please aware that, any recommended mattress size to use on this Child's bed, the gap between the mattress and the sides and ends of the child's bed shall be no greater than 30 mm with the mattress in any position.
- All assembling fittings should always be tightened properly and checked periodically.
- Please keep the product clean. Wipe it with a soft cloth.
- Children are likely to play, bounce, jump and climb on beds, therefore the child's bed should not be placed too close to other furniture or windows, blind cords, curtain pulls or other strings or cords, and should be placed either tight to any wall or have a gap of 300 mm between the wall and the side of the bed.
- Any additional or replacement parts, only be obtained from the manufacturer or distributor.
- Adult assembly only, and we recommend two adults to assemble this product be more helpful and we suggest assemble this product on a carpet to protect the product finishing in good condition. **DO NOT** dismantle, assemble, disassemble this product when any child is around you in the same room, due to safety concerns that the child may pick up and swallow small parts !
