

Quick Start Guide

Follow these steps for a quick start with the Capillus Face Mask

Start with a clean face – Wash and dry your face before use for maximum effectiveness

1 Power On

Press and hold the touch button to turn on the mask.

2 Select Your Mode

Tap the touch button to cycle through the four light therapy modes:

Near Infrared+Red Light
Radiance Booster

Fades dark spots, evens skin tone, and enhances your natural glow.

Red Light
Anti-Aging

Reduces fine lines and wrinkles by stimulating collagen for firmer, younger-lookin

Blue Light
Acne Fighter

Targets acne-causing bacteria, clears breakouts, and helps prevent future blemishes.

Pink Light
Calming & Recovery

Combination of Red and Blue Light Therapy. Improves skin texture and help reduce inflammation.

3 Wear & Relax

Gently place the mask on your face and **enjoy** your light therapy session.

4 Auto Shut-Off

The mask will automatically turn off after **10 minutes**—no need to set a timer!

Helpful Tips for Best Results

Lock in hydration – Apply a moisturizer after treatment to keep skin nourished.
Keep it charged – Use a 5V1A power adapter to recharge when needed.

Enjoy your journey to healthier, glowing skin with Capillus Red Light Therapy Mask!
