

2024 RANGER RAPTOR VANITY LIGHTS

STEP 1

Use a small flat head screw driver or pry tool to pop off the plastic vanity bulb covering.

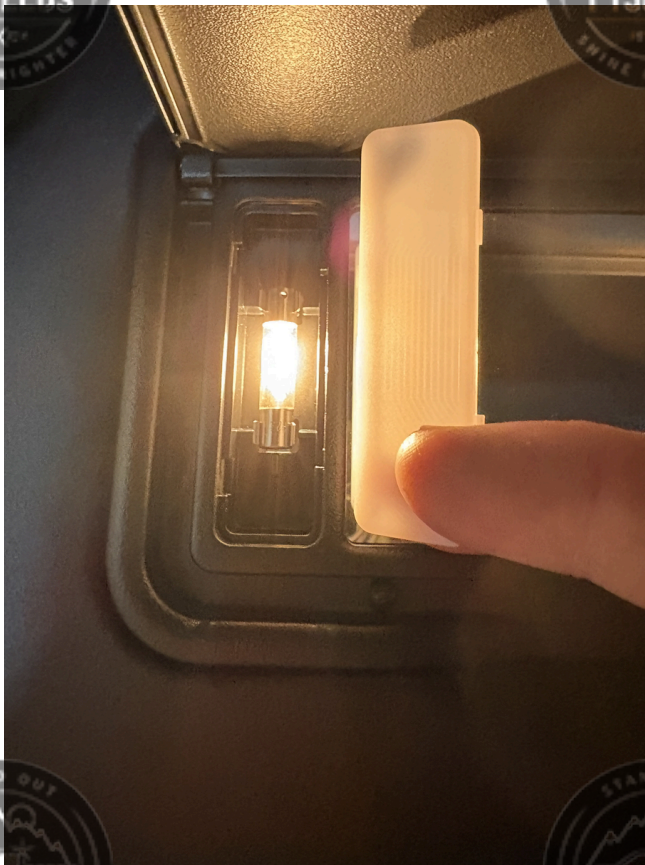

STEP 2

Once the plastic coverings are removed carefully remove the OEM bulbs. ****if the bulb has been on it will be extremely hot, please use caution****

STEP 3

Using moderate force press the Vanity light bulb from F150LEDs firmly into place then reinstall the plastic coverings.
