Nipper Wagon

SAFETY NOTES

IMPORTANT: READ CAREFULLY AND KEEP FOR FUTURE REFERENCE

Your child's safety may be affected if you do not follow these instructions.

WARNING:

Follow the manufacturer's instructions, Failure to follow these warnings and assembly instructions could result in serious injury or death.

WARNING:

- To avoid injury or death, always apply the brakes whenever the pushchair is stationary/parked.
- Always engage brakes when you stop or when you let go of the handle.
- This product is not suitable for jogging or skating.
- Do not allow the child to play with the product.
- Never leave the child unattended. Ensure that all the locking devices are engaged before use.
- To avoid injury ensure that the child is kept away when unfolding and folding this product.
- Always use the restraint system (Secure the child in the harness at all times). Never use pushchair if it becomes damaged.
- Check that the pushchair attachment or seat unit or the car seat fasteners are correctly engaged before use.
- This seat unit is not suitable for children under 6 months.
- NEVER use the pushchair on stairways or escalators. You may suddenly lose control of the product and your child may fall out. Also, use extra care when going up or down a step or curb.
- This pushchair is approved for 2 children (additional seat unit required) who can sit independently up to a maximum of 22 kg or 4 years, whichever comes first. Children under 6 months need a baby car seat which can be attached with adapters (additional accessory, compatible with most baby car seats up to total width 44 cm).
- Make sure children are clear of any moving parts if you adjust the pushchair, otherwise they may be injured.
- Immediately discard any plastic wrapping. Keep away from children to avoid suffocation.
- Never allow children to fold, assemble or disassemble the pushchair.
- Do not use accessories other than those approved by the manufacturer or distributor. Regularly check that this stroller is in good operating

condition and that all fasteners and nuts are secure.

- Always use wrist strap.
- Accessories or parcels placed in or on the pushchair may cause it to become unstable. Any load attached to the handle affects the stability of the pushchair.
- Overloading, incorrect folding and the use of non-approved accessories may damage or break this pushchair.
- Do not use the pushchair near an open fire or exposed flame.

Care & Maintenance

This is a high-quality product that has been made using quality components. Please regularly check that the product is in sound working condition. If you find any parts broken or worn, replace them as necessary. With periodic maintenance and common-sense use, this product will provide many years of enjoyment for your family. Please note it is unsafe to use spare parts and accessories other than those supplied by outnabout.

CLEANING:

- Wipe clean using a mild soap and warm water.
- Never use strong detergents or solvents.
- You must not remove, dismantle or alter any part of this product's folding mechanism or brakes.
- The wheels can be cleaned using a damp cloth.
- Dry the wheels completely with a soft towel or cloth.

STORING:

- Storing this product indoors is recommended as extended and excessive sunlight can cause the colors to fade.
- Ensure that the product is dry before storing for prolonged periods.
- Always store this product in a dry environment.
- Store this product in a safe place when not in use (ie where children cannot play with it).
- DO NOT place heavy objects on top of this product.
- DO NOT store this product near a direct heat source such as a household heater or fire.
