

High Bed Cat Scratch Post

Your pampered furriend now has the ultimate spot for scratching, lounging, and silently judging the rest of the household. With a sturdy base, durable sisal post for those satisfying stretches, and a fun rope for play, this scratch post does it all. The plush bed at the top is the crown jewel—perfect for catnaps or enjoying the view from above (safely out of the dog’s reach).

Built with quality materials to handle tough play, the High Bed Cat Scratch Post is the perfect combination of function and feline luxury.
