

## 5 Level Cat Playground

Stylish, sturdy, and built for endless feline fun—this playground has it all. With sisal scratchboards and posts, a hanging play ball on a stretch rope, multiple platforms, and two plush beds, your cat has the perfect mix of play and relaxation. And with a top-level bed offering the best views in the house, they'll be lounging in luxury.

Made from high-quality, durable materials, the 5 Level Cat Playground is designed to handle even the most energetic cats.

### BEST BITS:

- ✓ Hanging play ball on stretch rope
- ✓ 2 x plush beds
- ✓ Strong, top-quality sisal scratchboard and posts
- ✓ Sturdy frame built to last and handle tough play

### MATERIAL

Furniture grade plush fabric, high quality tough-wearing sisal.

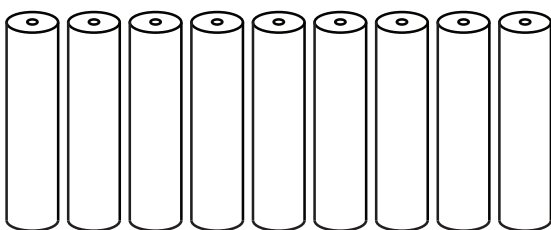

### FINISHED SIZE:

Width: 60cm Depth: 50cm Height: 158cm

### PARTS INCLUDED:

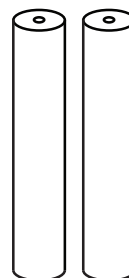

9 x 35cm post

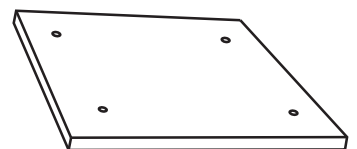

1 x 35cm post with extrusion

# Assembly Instructions

## Step 3:

Mount platform 1 to the structure with **B** screws.

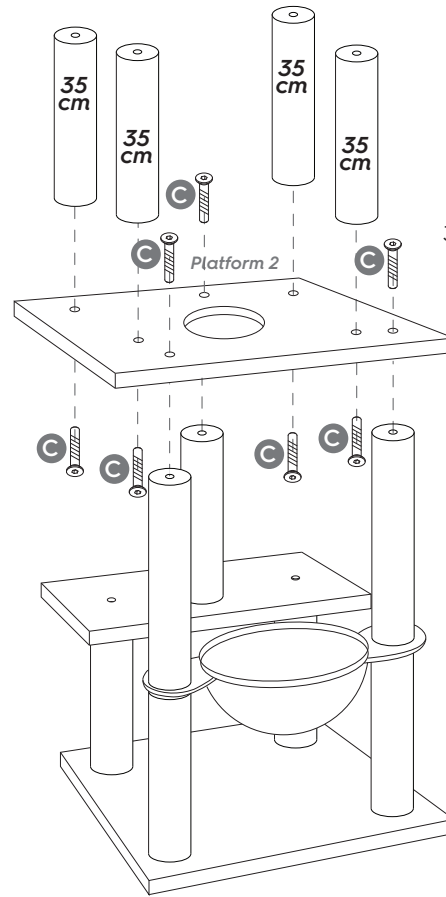

Then attach another 35cm post to platform 1 with a **C** screw.

## Step 4:

Anchor platform 2 to the structure with **C** screws.

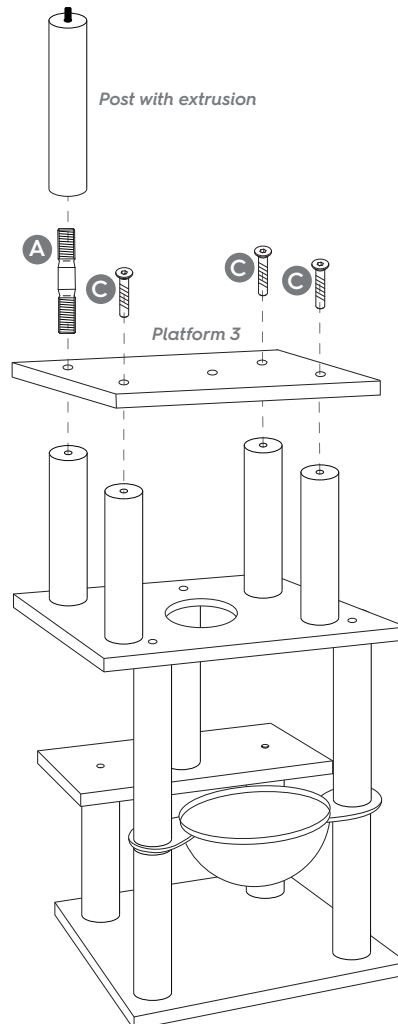

Then, fasten 35cm posts on top of platform 2 with **C** screws.

## Step 5:

Mount the platform 3 to the structure with **C** screws, and **A** double-headed screw.

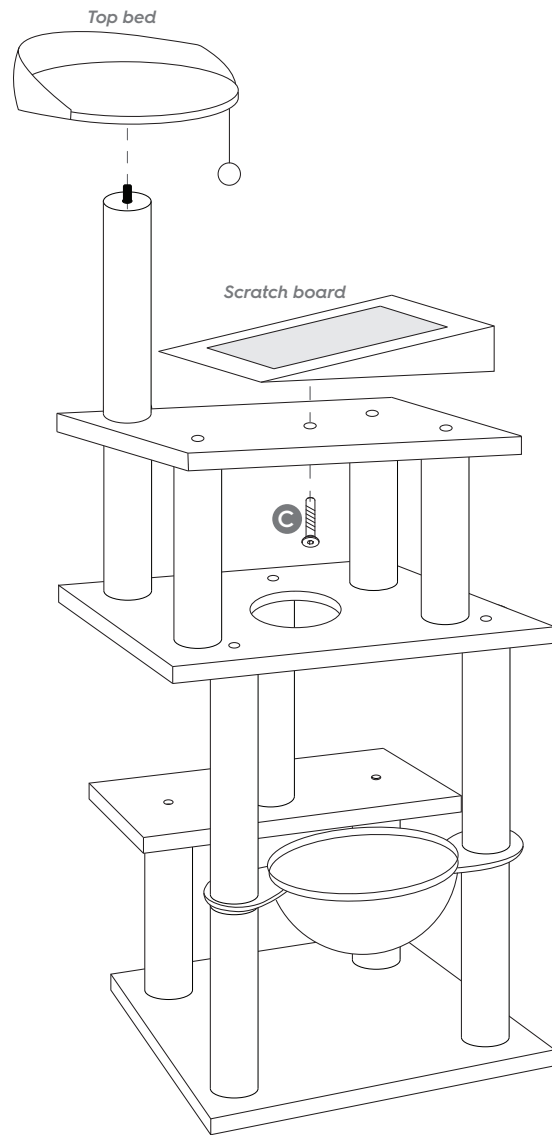

Then, screw in the post with extrusion.

### Step 6:

Lock in place the scratch board to platform 3 with a **C** screw.

Then screw in the plush platform into the post with an extrusion.

Watch our cat playground come to life!
