

# HOW TO SET UP TUSHY OTTOMAN

Attach each leg to its corresponding hole (giggle) and that's it! Simply match the number on the inside of the leg to number underneath TUSHY Ottoman. Now go poop!

**TUSHY**

**Have a Safe Poop!**  
This product is not intended for standing and may present a tripping and falling hazard. Use only when seated. Not intended for use by children under the age of 12. Consult a physician before use if you experience any leg discomfort or as a result.

# BENEFITS OF TUSHY OTTOMAN

This is how we poop now.  
As you can see, the poop is  
having a really hard time  
shimmying down your itty  
bitty colon passage. Uh oh.

Squatting is how our bodies  
were designed to poop.  
Here, you can see how your  
poopies slide through with  
ease... like a log flume, if you  
will. Weeeee!
