

Magic Tips[®]

Instruction Guide

Push the Magic Tips
onto your earphones.

Ensure the Magic Tips are sitting correctly in place.

Technical specifications

Magic Tips specifications

- Storage temperature - -20° to $+60^{\circ}$ C
- Material - Bio-Medical-Grade Resin Matt Black
- Weight <1g

Safety Instructions

- Please read these instructions thoroughly before using your Magic Tips to ensure safe and effective usage.
- When lending the product to others, make sure to include this instruction manual to provide necessary information.

Important

Before every use, inspect your Magic Tips. If the insert is loose, protruding, or the silicone tips feel worn or damaged, replace the tips immediately and do not use until secure.

Choking hazard

To avoid accidental ingestion, keep the Magic Tips away from children and pets.

Maintenance

Clean only with a dry cloth. Do not use harsh chemicals. Remove Magic Tips immediately if you experience discomfort and contact support (info@flareaudio.com).

Natural Ear Build-Up

Ensure the ear canal is free from wax build-up before use and check regularly, as accumulation over time may block the earphone tip.
