

Play Mat Assembly Guide

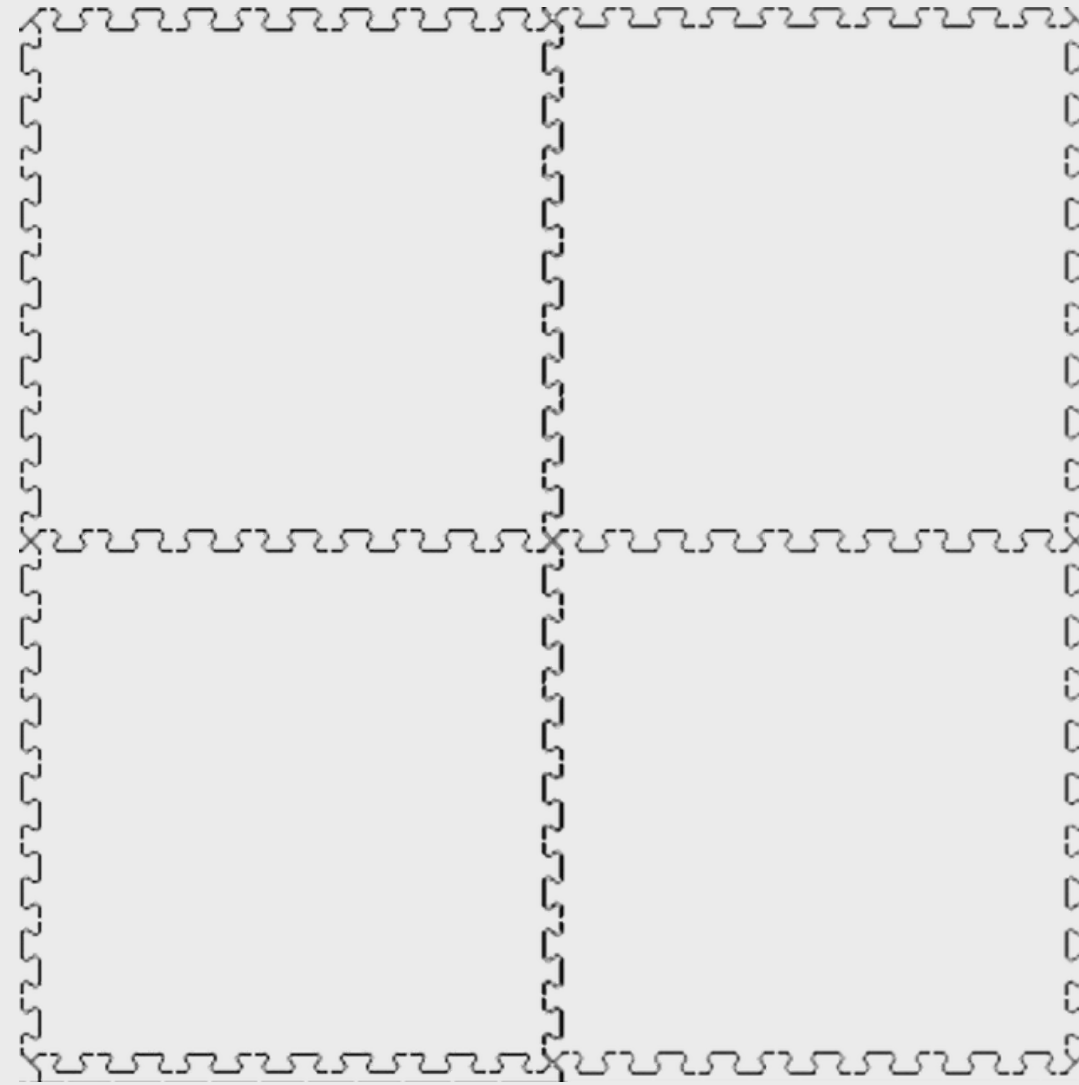

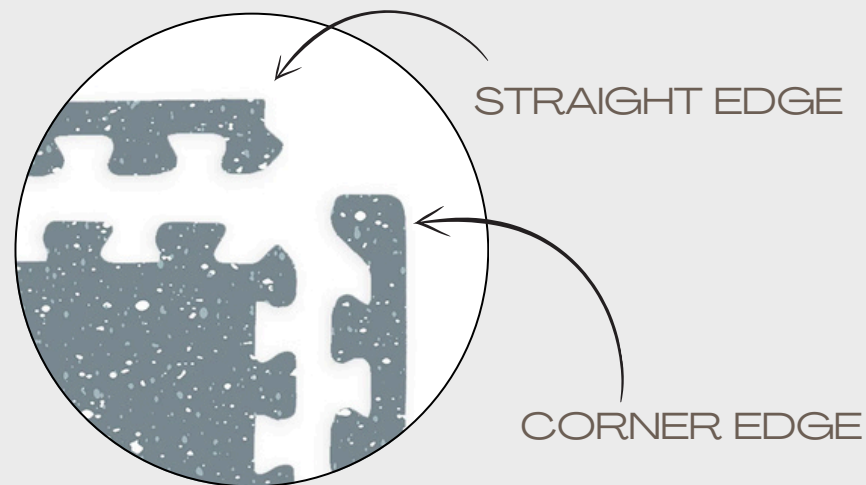

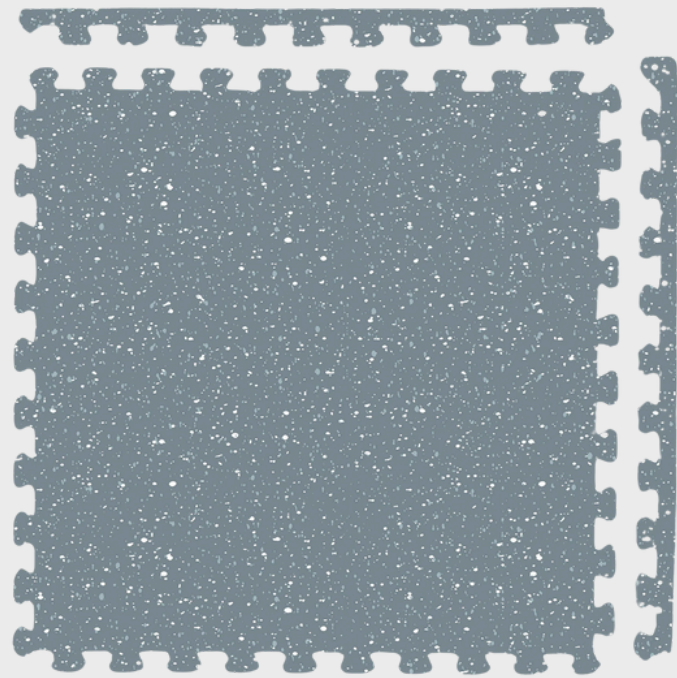

Putting together your play mat is as easy as breeze. Follow the instructions on teh next pages and your little one will be up and running in no time!

Step One

UNPACK YOUR MAT

Take the mats out of the protective wrap. Each tile comes with a straight and corner edge piece.

Step Two

TAKE OFF ALL EDGES

Take off all mat edges. Put together all (edgeless) tiles in the shape that you want.

Step Three

PUT EDGES BACK ON

Put all the edges back on, connecting corners with 1 straight piece and 1 corner piece. You will have edge pieces left over if assembled correctly.
