

SAFETY DATA SHEET

Capri Blue Blue Jean Room Spray

Issue Date 10/7/2019
Revision Date 12/11/2025

Section 1: Identification

Product Name	Room Spray	Product Code	Various
Product Use	Household Air Freshener		
CURIO-capri BLUE		Emergency Phone Number (CHEMTREC)	
629 9th Street SE		North America:	1-800-424-9300
Minneapolis, MN 55414		Outside North America	01-703-527-3887
877-469-1940		ONLY USE FOR CHEMICAL SPILL, FIRE, OR LEAK EMERGENCY	

Section 2. Hazards Identification

"Consumer Products", as defined by the US Consumer Product Safety Act and which are used as intended (typical consumer duration and frequency), are exempt from OSHA Hazard Communication Standard 929 CFR 1910.1200). This SDS is being provided as a courtesy to help assist in the safe handling and proper use of the product.

Classification	Classification of this mixture in accordance with paragraph (d) of 1910.1200 Non- hazardous
Symbols	None
Signal Word	None
Hazard Statements	Non-Hazardous
Statements	P103 Read label before use

General Caution Statements:

For adult and external use only.

Section 3. Composition / Information on Ingredients

Name	CAS #	%	GHS-US Classification
No hazardous components 1% or greater: Carcinogens 0.1% or greater			

Fragrance compound. The identity of the individual components of this mixture is proprietary information and is regarded to be a TRADE SECRET. The exact identity of the components is withheld in accordance with the provisions of 1910.1200 in Title 29 of the US code of Federal Regulations.

Composition of non-hazardous ingredients is considered confidential and is withheld.

Section 4. First Aid Measures

Eye Contact	Flush immediately with cold water for at least 15 minutes. Remove contact lenses. Seek medical advice if symptoms persist or develop.
Skin Contact	In rare cases of sensitivity, discontinue use. Wash off immediately with soap and plenty of water while removing all contaminated clothes and shoes. If symptoms persist, call a physician.
Ingestion	Do NOT induce vomiting unless advised by poison control or physician. Never give anything by mouth to an unconscious person. Contact a physician if you feel unwell.
Inhalation	Not likely to be an issue but if adverse effects such as dizziness, nausea or irritation are noted, move person to fresh air. Contact a physician if you feel unwell.

Symptoms may not appear immediately. In case of accident or if you feel unwell, seek medical advice immediately

Section 5. Fire Fighting Measures

Flash Point	> 200F
Extinguishing media	Use media most appropriate for surrounding fire.
Specific Hazards in case of fire	None

Protective equipment N/A

Section 6. Accidental Release Measures

Personal precautions	None under normal conditions of use.
Environmental precautions	None under normal conditions of use.
Method for containment	Spills may be picked up with a mop followed by a water rinse. Small spills may be flushed to a sanitary sewer followed by copious amounts of water.

Section 7. Handling and Storage

Handling	Read and observe all label instructions
Storage	Store in original container protected from direct sunlight in a dry, cool and well ventilated area away from incompatible materials (see section 10), food and drink. Keep tightly closed.

Section 8. Exposure Controls and Personal Protection

This is a consumer product that is safe to use under normal and reasonably foreseeable use. Engineering controls or personal protective equipment are not required for consumer use.

Engineering Measures	Good general ventilation should be sufficient to control airborne levels.
Personal Protective Equipment	
Eye/Face	None required under normal usage.
Skin/Body	None required under normal usage.
Respiratory	None required under normal usage.
Environmental exposure controls	Maintain levels below Community environmental protection thresholds
Hygiene measures	Handle in accordance with good industrial hygiene and safety practice

Section 9. Physical and Chemical Properties

Physical Appearance	Liquid	Vapor Density Air=1	>1
Color	Clear	Vapor Pressure	N/A
Odor	Various	(mm Hg @ 20C)	
pH	6.0 +/- 1.0	Flashpoint	>200
Boiling Point	>212 F	Solubility in Water	Partially
% Volatile	<5	Specific Gravity	1.00-1.01

Section 10. Stability and Reactivity

Stability	Stable under normal storage, handling, use and transportation.
Incompatible products	Strong Oxidizing agents and strong acids.
Conditions to Avoid	Excessive heat and cold
Hazardous Decomposition Products	Oxides of carbon.
Hazardous polymerization	Will not occur.

Section 11. Toxicological Information

Likely routes of exposure: Eyes, skin, ingestion

Symptoms of exposure

Eye	May cause slight irritation
Skin	In rare cases of sensitivity, irritation may occur
Inhalation	None expected under normal conditions of use
Ingestion	Overexposure may cause cramps, nausea, vomiting and diarrhea

Chronic toxicity	None known
Carcinogenicity	Not applicable
Acute Toxicity	No data available

Section 12. Ecological Information

Ecological toxicity - general Data is not available

The product ingredients are expected to be safe for the environment at concentrations predicted under normal use and accidental spill scenarios. Packaging materials are compatible with conventional solid waste mgmt. practices.

Section 13. Disposal Considerations

Dispose Dispose according to local, state and federal regulations.
Avoid sources of ignition. Do not allow to get into waste water or waterways.

Section 14. Transport Information

<u>Shipment</u>	<u>Identification Number</u>	<u>Proper Shipping Name</u>	<u>Hazardous Classification</u>	<u>Packaging Group</u>
US DOT	Not regulated			
IATA (air)	Not regulated			
IMDG (vessel)	Not regulated			

Section 15. Regulatory Information

All materials used in this formulation are contained on the following lists:

Toxic Substances Control Act (TSCA)

Domestic Substances List (DSL)- Canada

European Inventory of Existing Chemical Substances (EINECS)

California Prop 65 This product is not subject to warning labeling

RIFM / IFRA Fragrance mixture complies.

Section 16. Other Information

The information documented in this SDS has been obtained from current and reliable sources, however it is provided without any warranty, expressed or implied, about its correctness or accuracy. Since the use, handling, storage and disposal of this is beyond the control of Thymes, it becomes the responsibility of the user to determine safe conditions for the use of this product and to assume liability for loss, damage, or expense resulting from the product's improper use. Federal, State, and Municipal government agencies may have specific regulations concerning the use, storage, handling, transportations, and disposal of this product which may not be encompassed in this SDS. The user should review such regulations and comply accordingly.
