

Dualit®

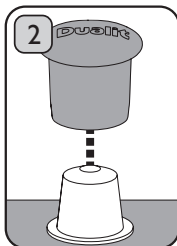

Dualit's Compostable Capsules are compatible with the Dualit Café Plus, Café Cino, Café Pro and Classic Capsule machines as well as all domestic drop through Nespresso®* machines excluding Vertuo, professional and 'built-in' models.

For use with Dualit's Espresso-auto, 3 in 1 Coffee Machine, Espresso or Xpress, you will need to use the NX® adaptor and **a capsule piercer**.

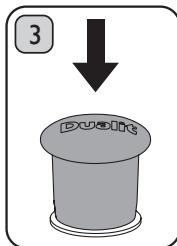

HOW TO USE A CAPSULE PIERCER

CAUTION! Sharp blades, use with care.

Place capsule on a flat surface. Align capsule piercing tool with capsule.

Gently apply pressure. Ensure capsule piercer meets with capsule rim.

4 Remove pierced capsule and use as normal in your machine.
