Step 1

Screw in 2 x Part E into Part A.

Step 2

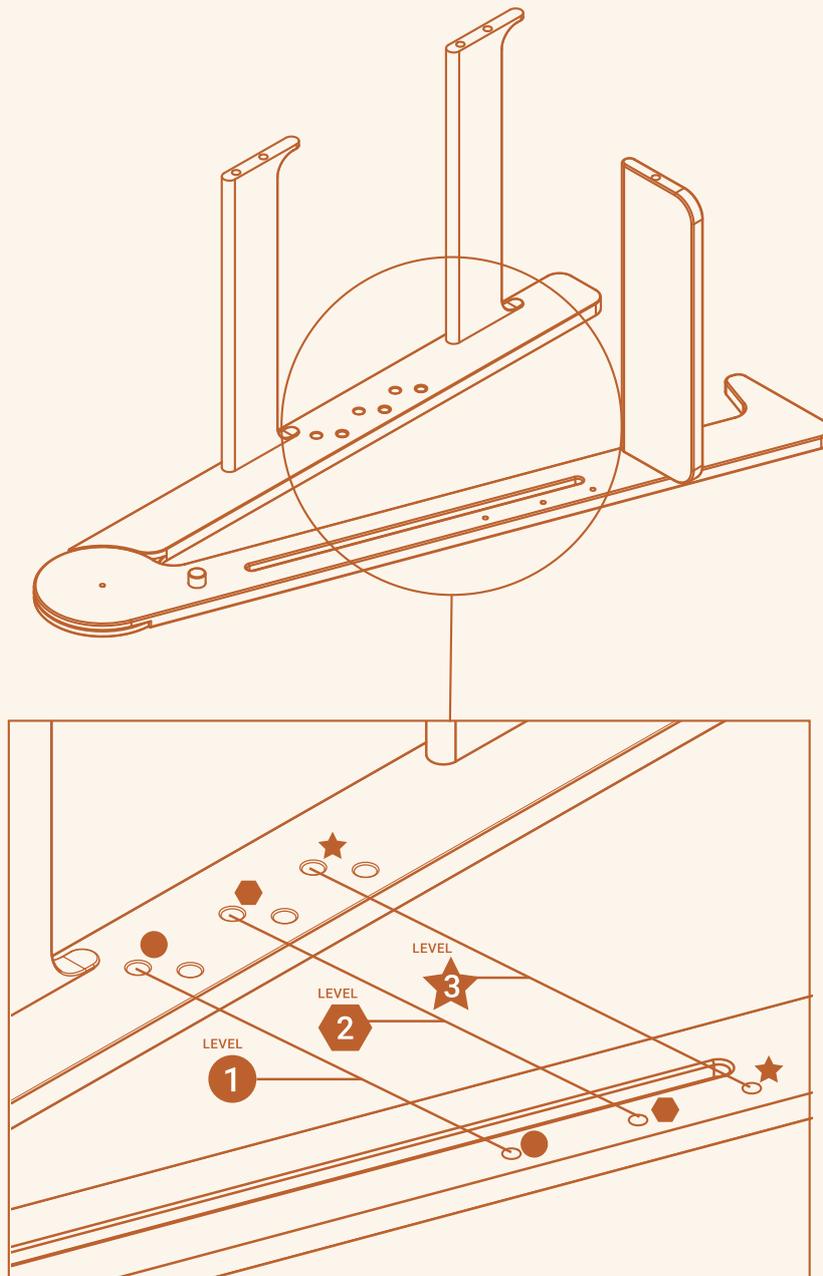

Place Part B on Part A, screw Part F into Part B.

Step 3

Choose the height setting using symbol guide below.

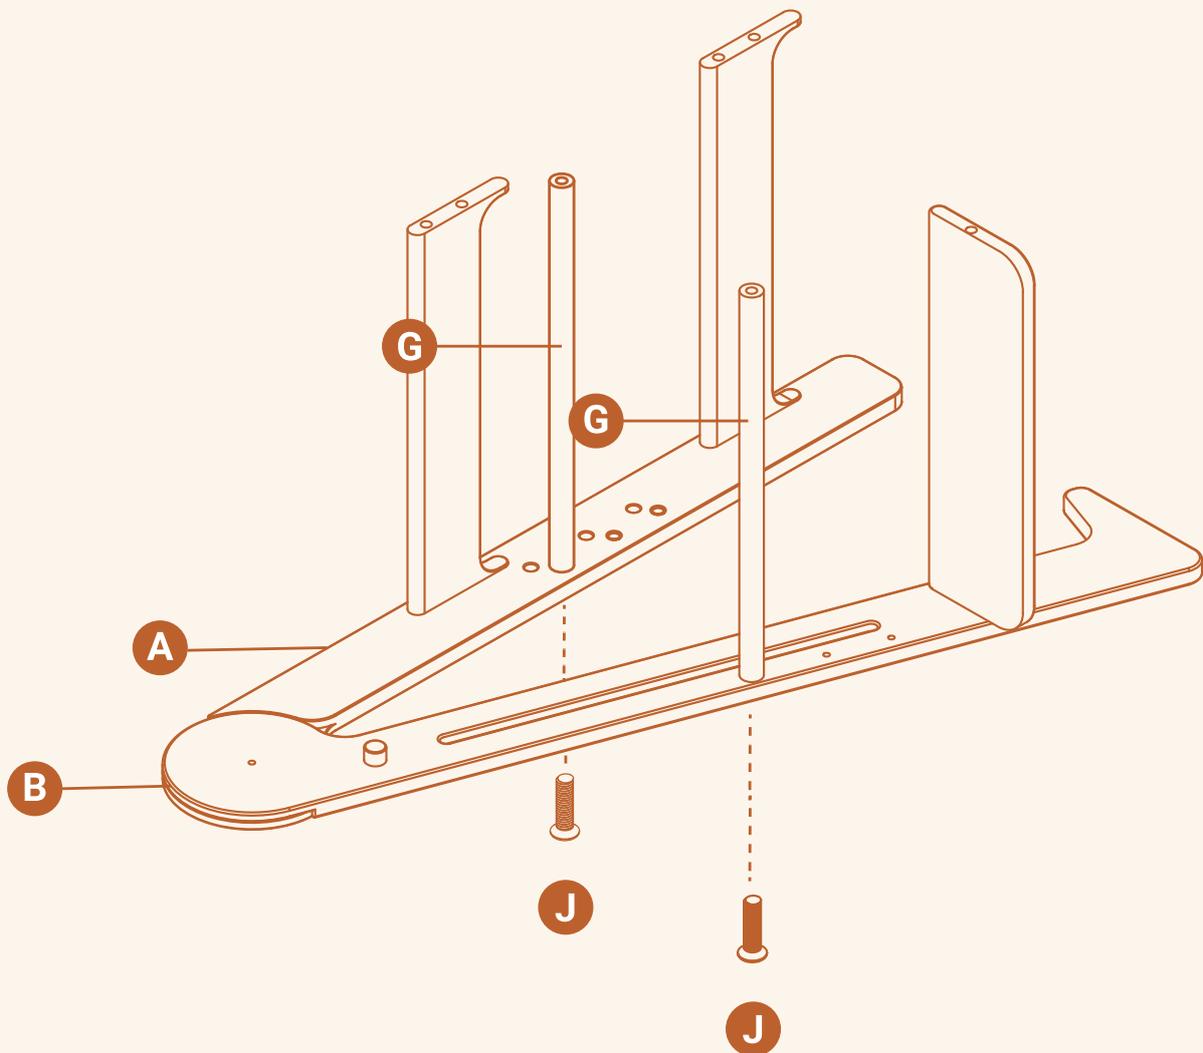

Level 1 (Highest), Level 2 (Middle), Level 3 (Lowest).

Step 4

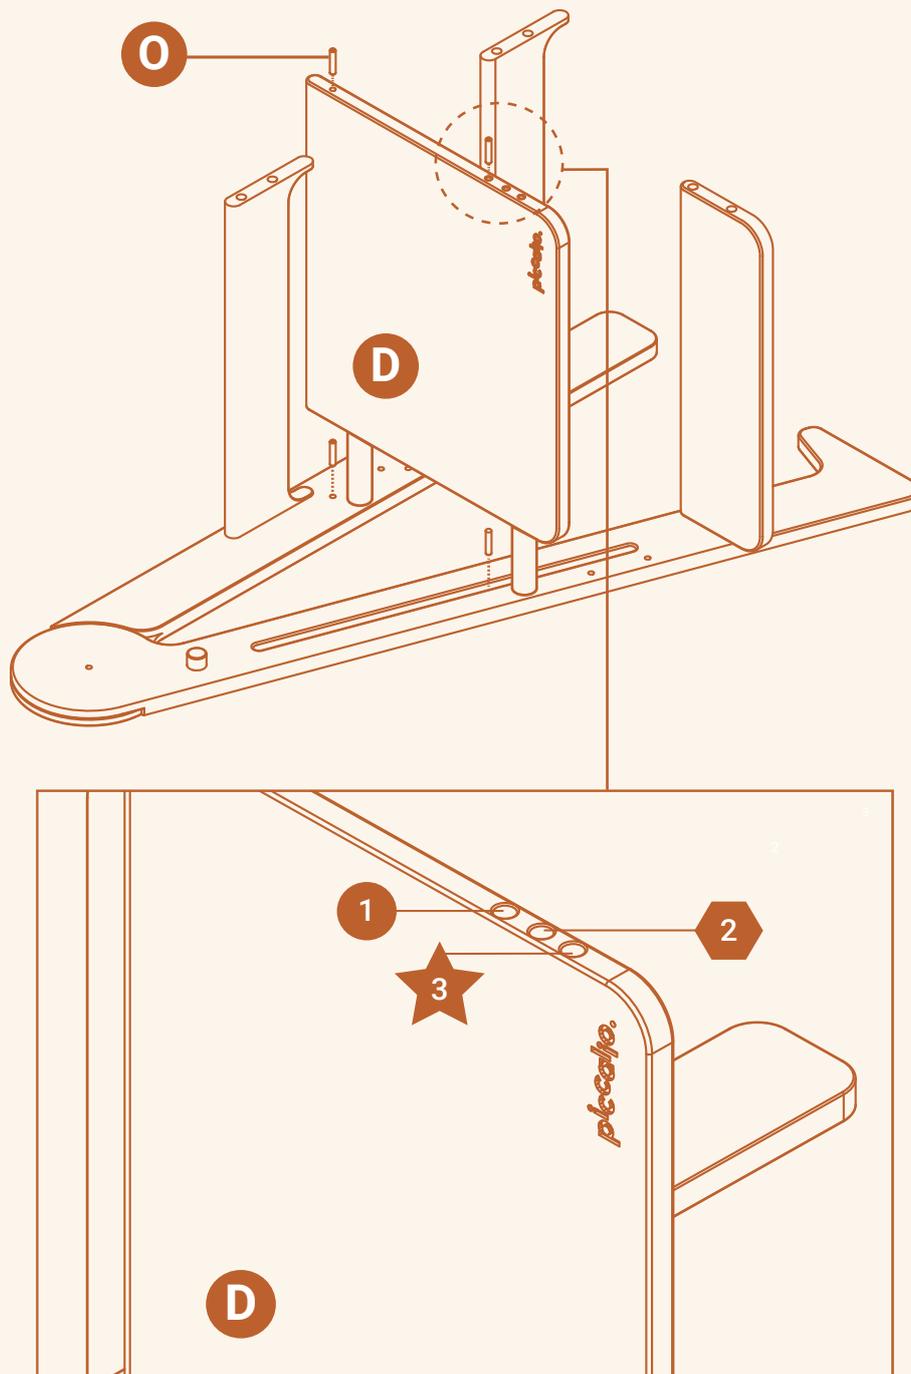

Screw in 2x Part G into legs Part B and Part A.

Note: Part G should be inserted in the lower left hole of Part A of the corresponding level chosen.

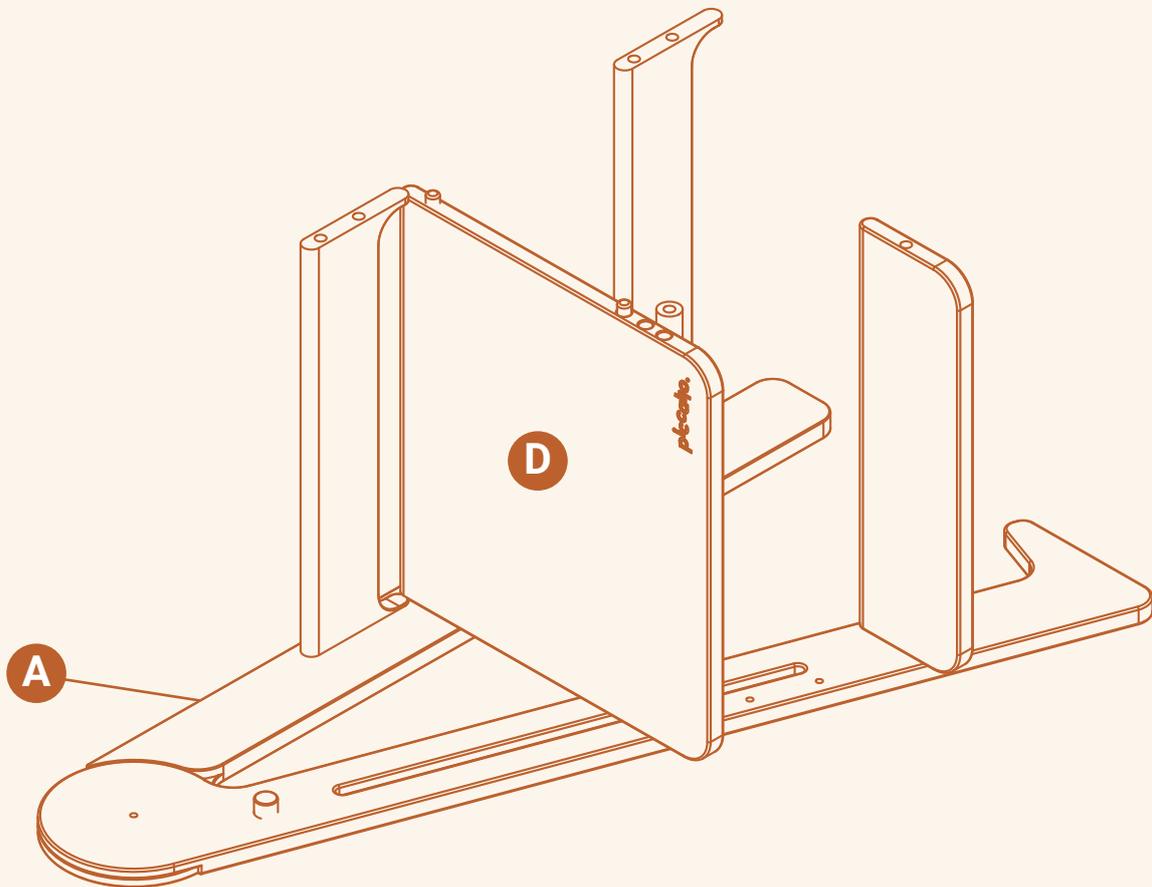

Step 5

Insert 2x Part O on each side of Part D. Using the symbol guide below Part O should be inserted into Part D to the level chosen in Step 3.

Step 6

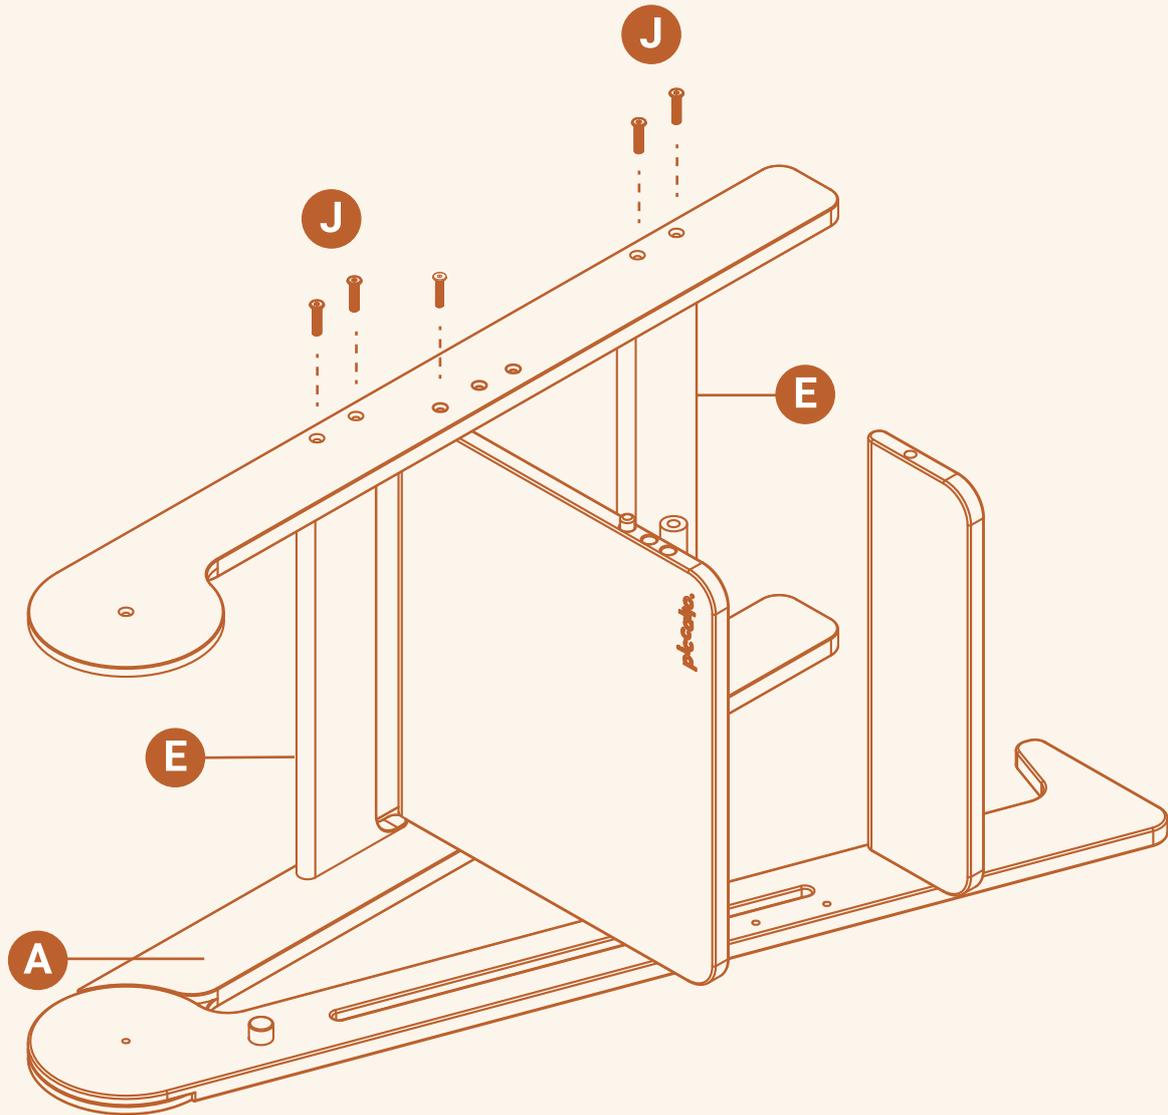

Insert Part D into Part A and B using Part O.

Important: To ensure that the tower folds fully once assembled, Steps 3 and 5 must be assembled correctly.

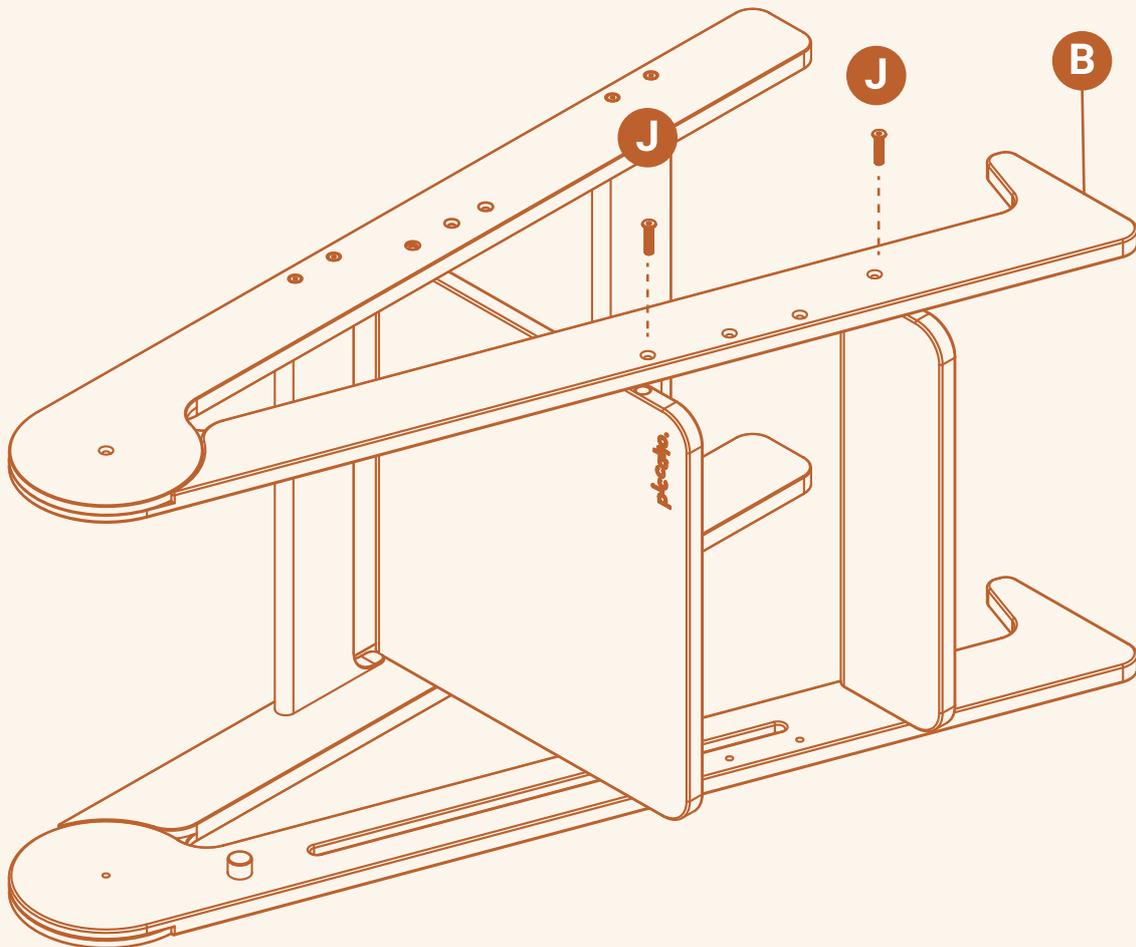

Step 7

Screw second Part A onto Part E x 2 and Part G.

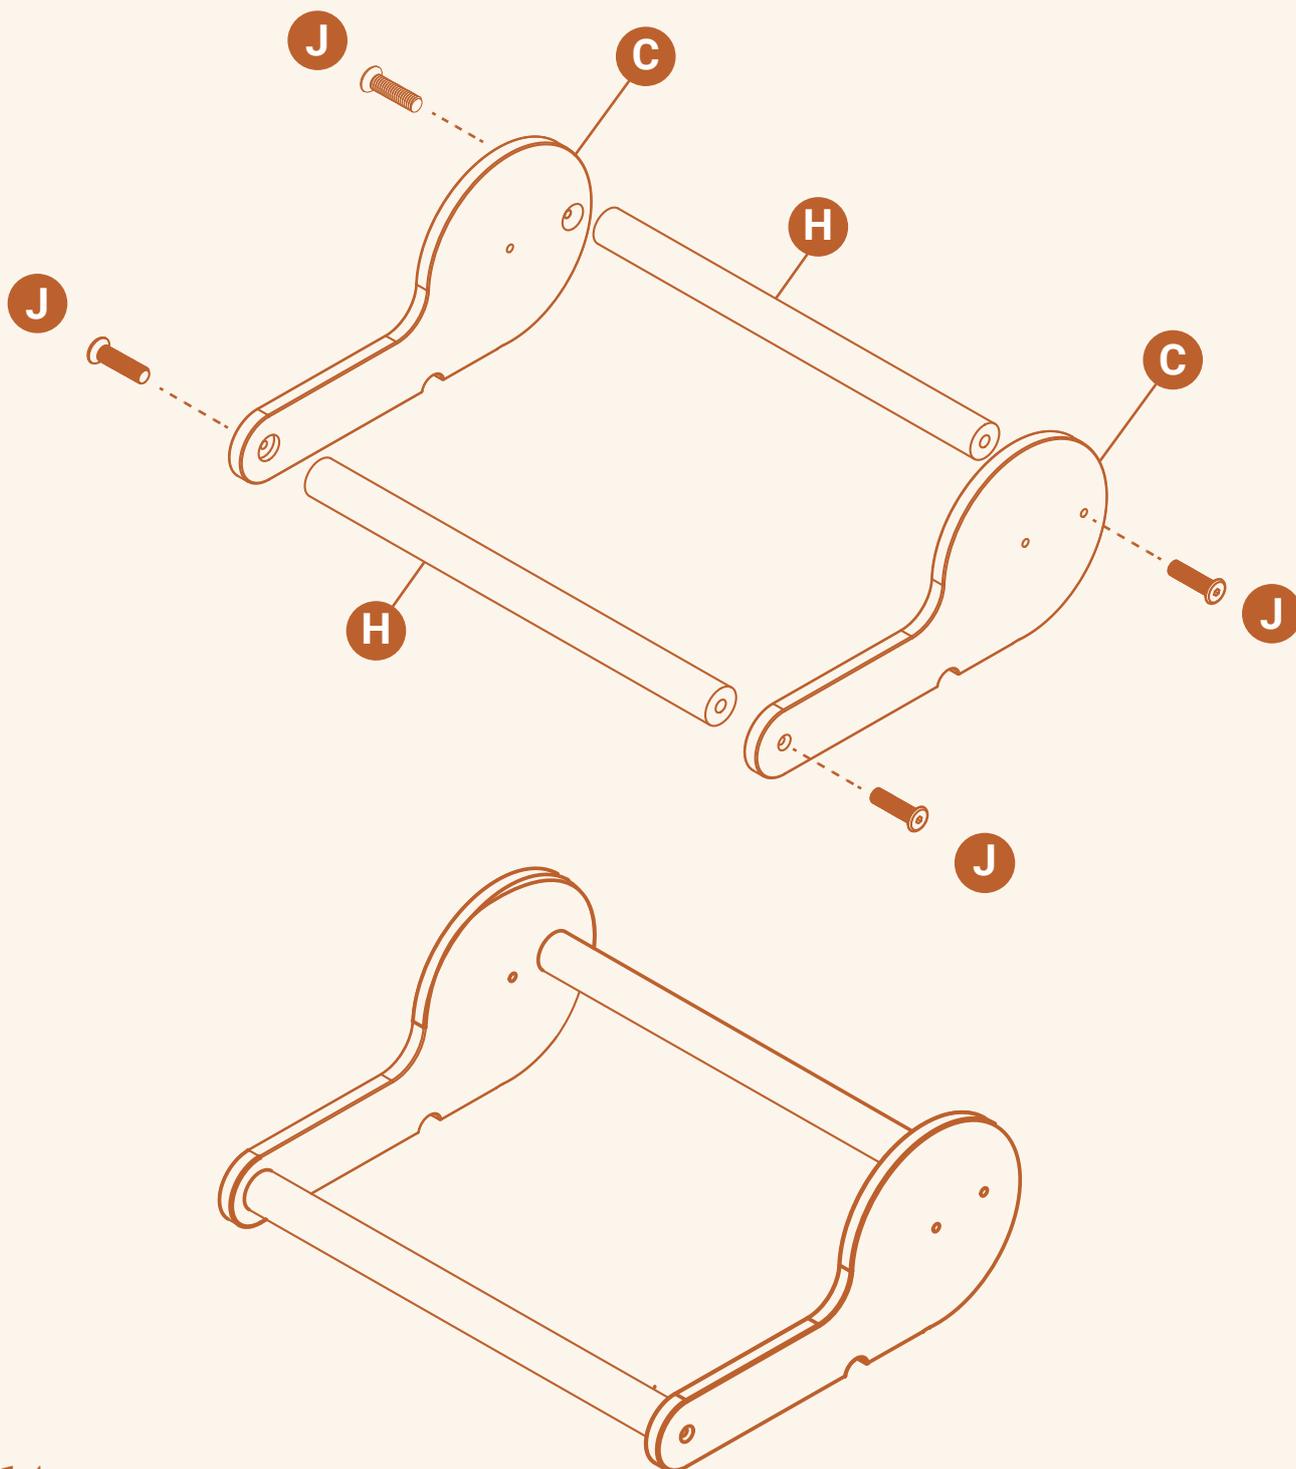

Step 8

Screw on second Part B onto Part G and F.

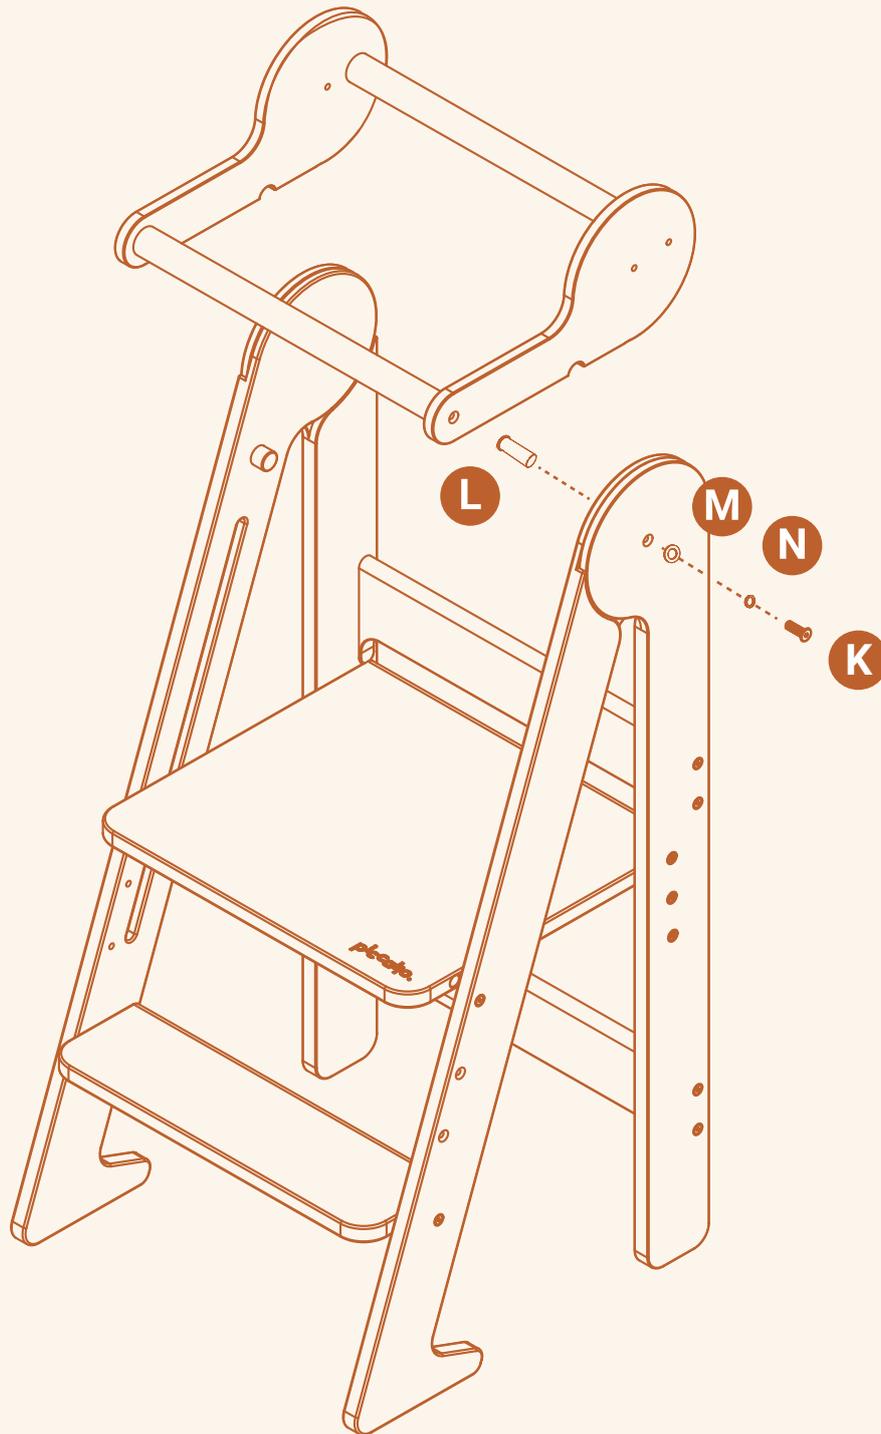

Step 9

Connect both C parts with Part H.

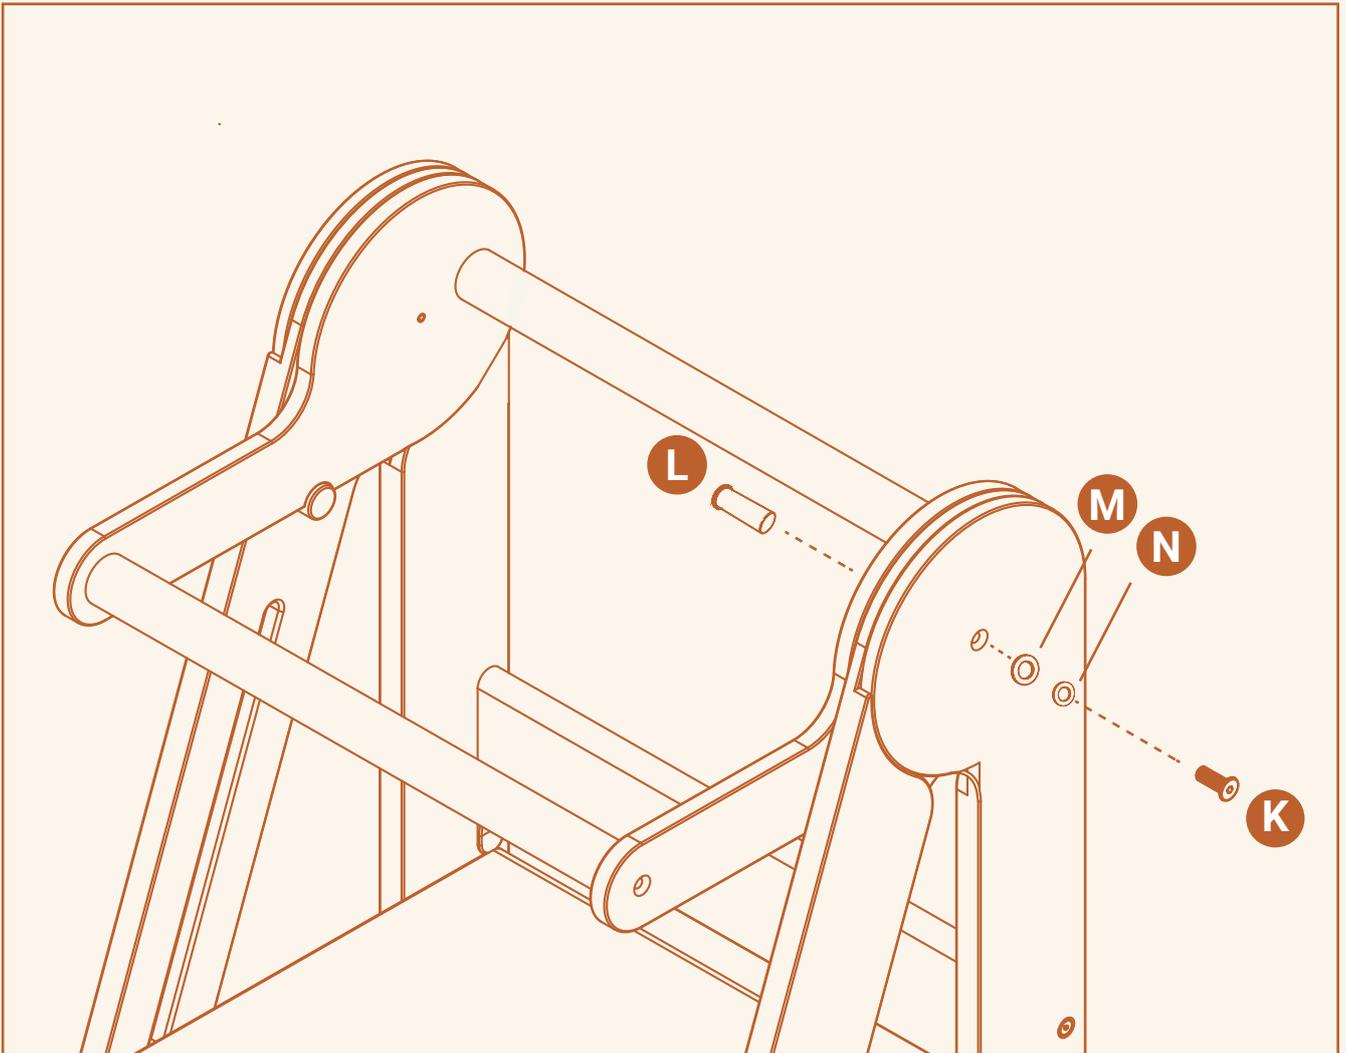

Step 10

Connect handle from Step 9 to main body on both sides.

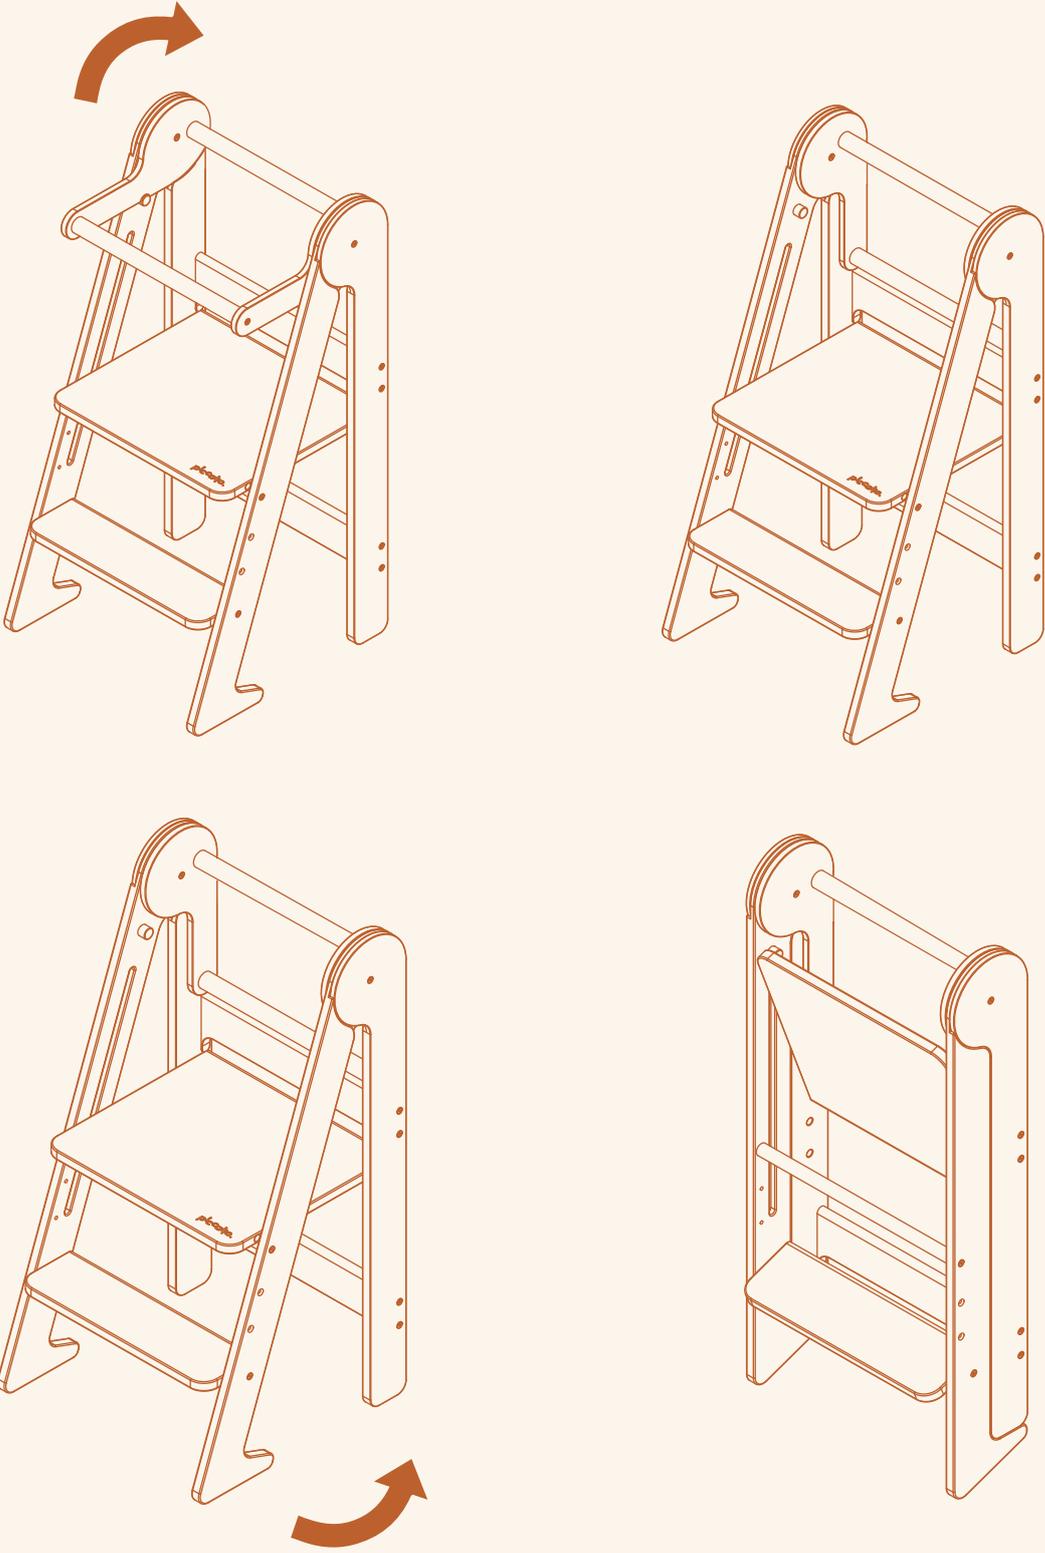

Step 10 enlargement

Use 2x Allen Keys for L and J, tightening in opposite directions.

How to fold the tower

Warranty

Wooden toys and furniture are generally more durable than plastic toys, but they can break sometimes. Although wooden toys and furniture last many years when treated with care, Piccalio products are not guaranteed against damage due to play and use.

Products sold by Piccalio are guaranteed against defects in materials and workmanship for a period of twelve (12) months from the date of original purchase. The warranty is valid only under normal use of the product and for the use for which it is normally intended.

To make a claim, contact us at hello@piccalio.com and we will gladly guide you through the procedure.
