Step 1

Place side-by-side legs (B) and screw in short dowels (D) using Allen Key (H). Tighten each screw a little at a time until they are secure. Insert two long dowels (E) through top open holes on legs. Screw in triangles (C) on each side.

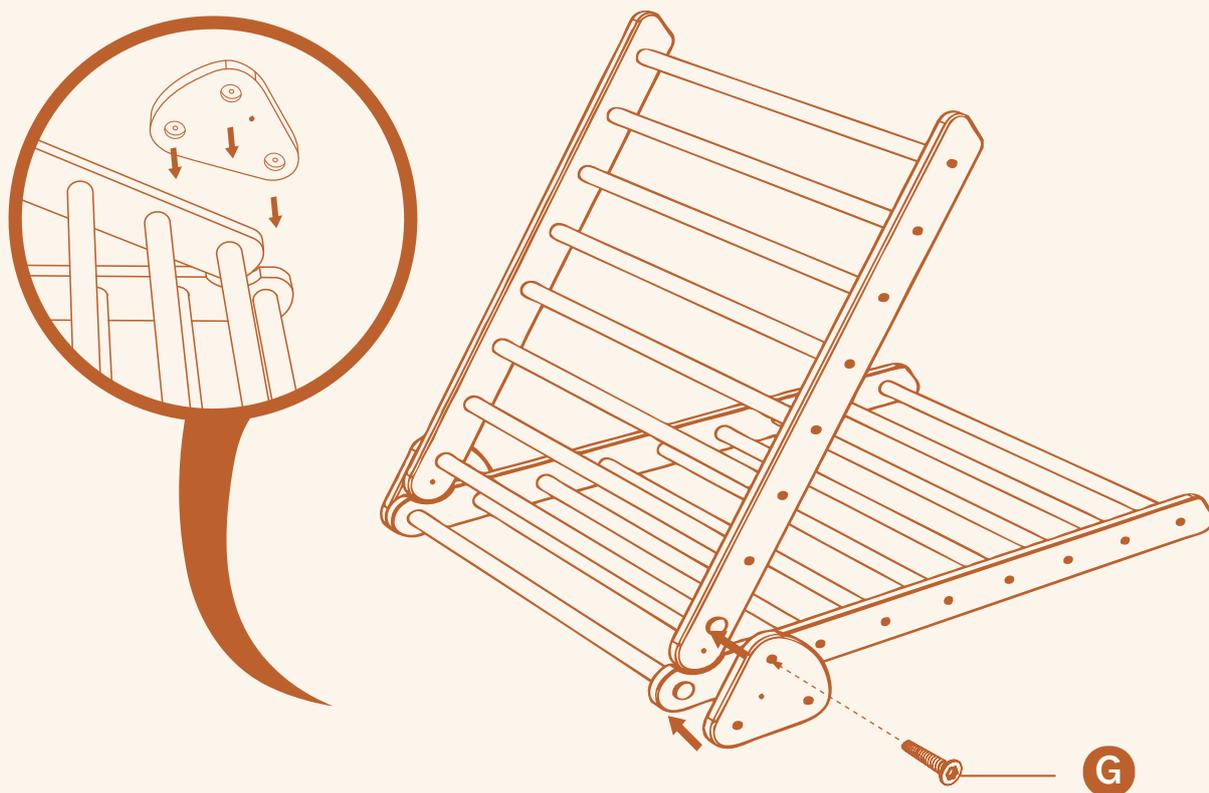

Step 2

Place side-by-side legs (A) and screw in remaining short dowels (D) on both sides. Tighten each screw a little at a time until they are secure. Insert remaining long dowel (E) through top open hole.

Step 3

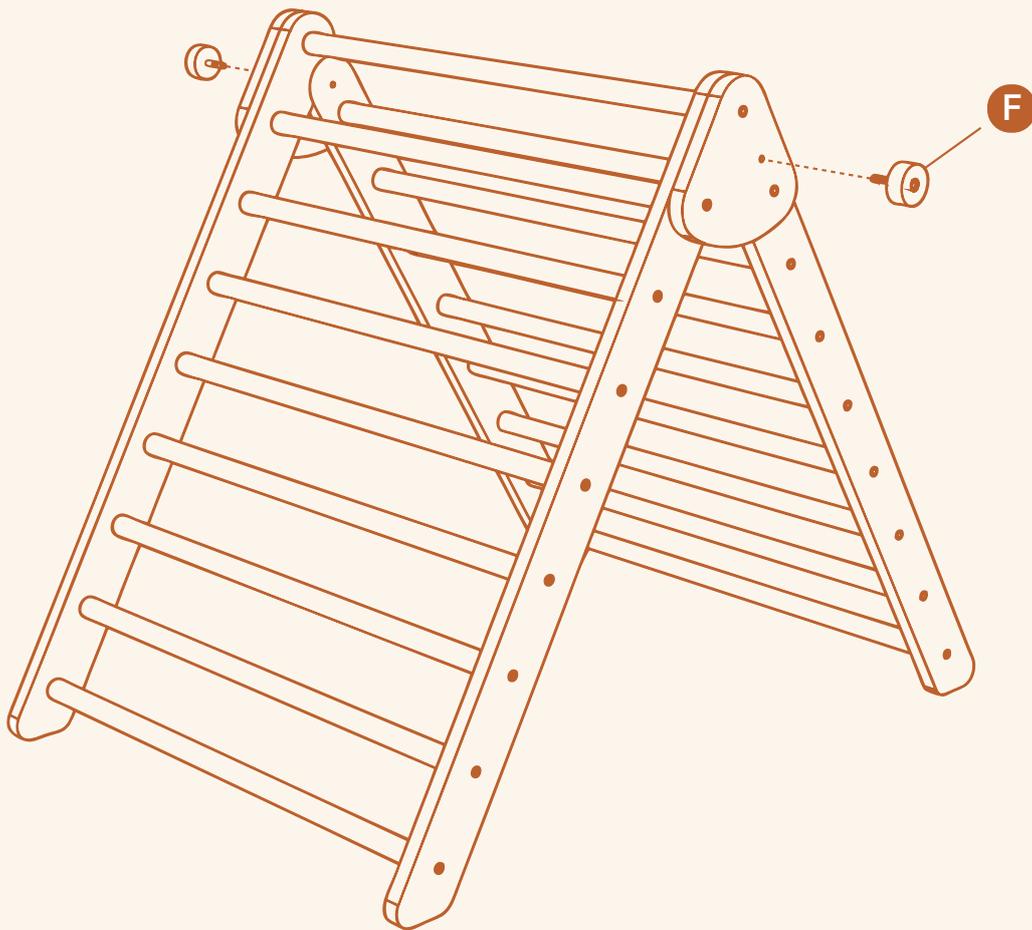

Connect step 1 and step 2 together screwing in remaining hole in both triangles (C).

Step 4

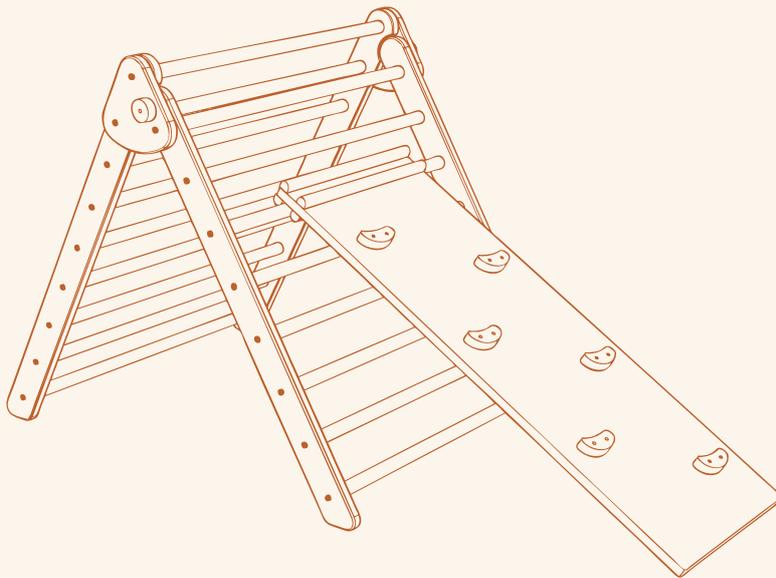

Screw locks (F) on both sides to lock the Mini Climber when in Triangle position. When you wish to store it away unscrew the locks on both sides and fold.

Hardware may loosen over time, check the bolts regularly and tighten if necessary.

Warranty

Wooden toys and furniture are generally more durable than plastic toys, but they can break sometimes. Although wooden toys and furniture last many years when treated with care, Piccalio products are not guaranteed against damage due to play and use.

Products sold by Piccalio are guaranteed against defects in materials and workmanship for a period of twelve (12) months from the date of original purchase. The warranty is valid only under normal use of the product and for the use for which it is normally intended.

To make a claim, contact us at hello@piccalio.com and we will gladly guide you through the procedure.
