Choosing a GoldPaw coat based on girth will help ensure you choose the best size.
1. Make yourself a meauring tape!
2. Measure around your dog's ribcage like the picture at left.
3. Look at the product's size chart
4. Find which sizes the girth falls into
5. Then choose based on which weights are **closer** to your dog's.

instructions

- Print this document at 100% size with no scaling to ensure accuracy
- cut the six strips leaving the grey tabs on the edge
- attach the strips by placing the grey tab beneath the previous strip, apply glue to the grey tab or use tape to attach the strips together
