

15mm MTB Plugs

BV1028

Adapter kit for mounting 15/100mm through-axle wheels on the Add-On Front Wheel Holder or Flight Deck.

Instructions:

1. Remove your front wheel from your bicycle.
2. Insert the plugs into your wheel's hub axle holes.
3. Unscrew the skewer nut and one spring from the skewer and insert the skewer through the plugs and wheel. Replace the spring and skewer nut on the end of the skewer.
4. Guide your wheel into the wheel holder making sure that the skewer end mate with the slots on the wheel holder.
5. Holding the lever in place, tighten the nut on the opposite side and push the lever into the closed position. It should feel tight, but it should not be too difficult to close the lever.

These plugs and skewer are for mounting a wheel to a SeaSucker Add-On Front Wheel Holder or Flight Deck only. They are NOT to be used to convert a through-axle hub for use in a fork with 9mm drop outs.

Warranty and Returns:

SeaSucker offers a lifetime, non-transferable warranty covering defects in materials and workmanship. Defective products can be returned to SeaSucker for replacement or repair (at SeaSucker's option). Warranty claims must be accompanied by a sales receipt or other proof of purchase document. The cost of transportation to and from SeaSucker for the repair or replacement of any defective part or accessory is not covered by this warranty and is to be paid by the owner. This warranty does not apply to damage or failure resulting from normal use, routine wear and tear, lack of maintenance, user error, alteration of the product, accidents, abuse, or neglect. This warranty is given in lieu of all other written or oral warranties, express or implied, including without limitation implied warranties of merchantability and fitness for a particular purpose, and are limited to the duration and specifications of this warranty. SeaSucker's liability for any damages relating to any allegedly defective product, whether arising from the use or the inability to use the product and whether claimed under tort, contract or any other legal theory, shall be limited to the actual price paid for such product and shall in no event include loss of use, loss of time, incidental, consequential, special, or indirect damages of any kind, even if SeaSucker is aware of the possibility of such damages, to the full extent as such may be disclaimed by law.

Products returned to SeaSucker that are determined by SeaSucker (in our sole discretion) to be free of defects or that are no longer

within the warranty period may still be repaired or replaced at your expense. Replacement parts, including vacuum pads, pumps, and

hardware, can be found on-line in the Replacement Parts section at www.SeaSucker.com. See www.SeaSucker.com for product return

instructions and more information.
