

Quickdraw Saddle Bag INSTRUCTIONS

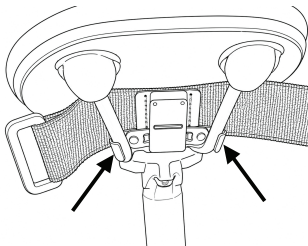

Strap install direction

1

Feed ends of strap thru saddle rails

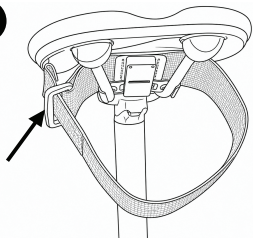

2

Clip to saddle rails above bend

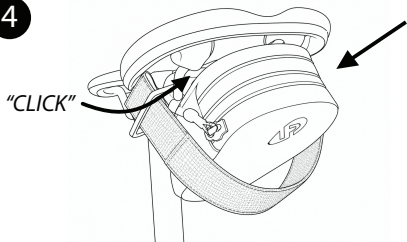

3

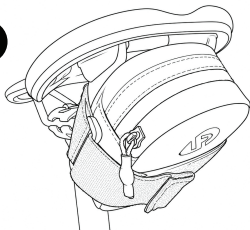

Feed strap end thru D ring

4

Slide bag thru strap and attach magnetically

5

Tighten Strap

NOTES:

- Not compatible with oval rail saddles
- Some unique saddle and rail shapes may not be compatible
- Failure to properly attach bag magnetically before tightening strap may result in bag sliding out of strap
